Grain and hay is being cut with rapidly; farmers are busy putting away their hay, and shocking the grain. A great deal is said about the fly in the grain; we noticed in the wheat the heads are light; no grain in some, others very few. We had a thunder storm last Thursday that woke up the toads and myself. Lightning struck Noah Kockey's house, but did little damage; also struck Mrs. Julie Bell's house, and shattered the roof and cornish some. It also struck a tree in John Meckley's field and killed two sheep and made the bark fly from several other trees in our neighborhood.

This property was the one offered for sale last spring and it is the greatest fruit location in the county. Fruit of all kinds in abundance, as any one can see at present. HAVE TO GIVE UP

It's All Over When Nervous Sick Headache Comes to Young or Old—Everything Stops and Nothing Goes on but the Nervous Sick Headache.

If anything will engender a disregard for even life itself it is continued or oft repeated attacks of nervous sick headache. You may be able to partially describe it but the English language fails to fully do it justice—its misery so concentrated, so condensed, so prostrating, that all else is enveloped in its meshes.

Mrs. John H. Beck, of 115, 3rd st., North Phillipsburg, says: "Dr. A. W. Chase's Nerve Pills are just fine. I used to suffer all the time with nervous sick headaches—terrible headaches that weaken one and make one nervous and tremble. I was told of the Nerve Pills and got a box and the result was remarkable. The medicine stopped the headaches completely. A single box did this for me and I am only too glad to say so." By calling at Krumrine's Drug Store information can be obtained regarding this great success of Dr. A. W. Chase's Nerve Pills and how they were first introduced by proof of their merit.

Dr. A. W. Chase's Nerve Pills are sold at 50c. a box at dealers of Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D. are on every package.
