

RAIN FLOODS CLEVELAND

Terrific Storm Overflows City's Finest Residence Portion.

DAMAGE AMOUNTS TO A MILLION

Houses Undermined As Though Made of Straw—Graves Washed Out and Corpses Whirled Through the Streets—No Loss of Life Reported.

Cleveland, O., Sept. 2.—With the breaking of dawn yesterday morning the citizens of Cleveland awoke to look upon a scene of unparalleled devastation and destruction caused by a raging flood. While the entire city was more or less affected, the great volume of raging water vented its anger over miles of the eastern portion of the city, and caused an amount of damage approximated at \$1,000,000. The appalling overflow was caused by a terrific rain that commenced to fall shortly after 2 o'clock, which turned into a perfect cloudburst between the hours of 3 and 5, and then continued with great force until nearly 10 o'clock. The storm, according to the weather officials, was the heaviest that ever swept over Cleveland since the establishment of the government bureau in this city over 40 years ago. That no lives were lost is nothing short of a miracle, as the stories of thrilling escapes from the water on several of the principal resident streets of the city are told.

Great volumes of water poured over from Doan and Giddings brooks down Quincy street, swamped Vienna street, rushed over Cedar avenue back over on East Prospect street, rushed like a mill race down Lincoln avenue to Euclid avenue, and then on to Glen Park place where houses were undermined as though built of straw and almost incredible damage done to streets and property.

Over a large share of this exclusive residence territory the water rushed with terrific force varying in depth from 1 to 6 feet. Culverts, trestles and bridges were torn down and for hours nothing seemed capable of stemming the tide of destruction.

Shortly before noon the torrent succeeded in undermining a score of graves in the St. Joseph cemetery at the corner of East Madison and Woodland, and the bodies were soon being tossed about in the waters. Fully a dozen of the corpses were washed into gutters and had not been recovered early this morning.

A remarkable feature of the storm which caused such terrific destruction is that up until 6 o'clock yesterday morning hardly a drop of rain fell west of Willson avenue while during the morning hours the east end was being fairly swamped in a perfect deluge of rain. Another remarkable thing is that no thunder and lightning accompanied the record-breaking downfall. While thousands of citizens in the most aristocratic section of the city were aroused, seeing thousands upon thousands of dollars worth of their property being crushed and destroyed, another and greater portion of the city was wrapped in slumber totally oblivious to the danger surrounding their fellow citizens.

LARGEST WAGER KNOWN

\$150,000 Is Bet On Shamrock Against \$250,000.

Pittsburg, Sept. 4.—The great international yachting bet of \$400,000 between an English syndicate, represented by Walter J. Kingsley, of London, and a group of patriotic Pittsburgers, represented by Wm. I. Mustin, was finally arranged yesterday afternoon. The entire sum was deposited in the hands of the stakeholder, Mr. Kingsley turning over \$150,000 in British bank notes and Mr. Mustin giving a certified check for \$250,000. What is said to be the greatest bet in history was thus successfully consummated.

The stake is to be paid within one week after the concluding race, the place of meeting to be New York. The wager is simply \$150,000 to \$250,000 that Shamrock lifts the cup. There are no conditions as to accidents. Both Mr. Mustin and Mr. Kingsley, the brokers for their respective syndicates will receive handsome commissions. Mr. Kingsley is to get 5 per cent. of the whole amount in case the Shamrock wins and 2½ per cent. of \$150,000 in the event of her losing. Mr. Kingsley was glad to be relieved of the responsibility for the \$1,000,000 Bank of England notes he has carried on his person since leaving England.

"A True Mother's Friend."

The miracle of motherhood is often overshadowed by the misery of motherhood. The great functional changes which are incident to child bearing leave their mark for life on many a mother. Some women offer up their lives as a sacrifice on the altar of motherhood. A far greater number live on in ceaseless misery. Their strength fails, their beauty fades, they have no ambition and no enjoyment in life. To every woman Doctor Pierce's Favorite Prescription offers escape from the pains and perils of motherhood. Taken during the period of waiting and anticipation this medicine strengthens the body, nourishes the nerves, and prepares the whole womanly system for the coming ordeal. The mind feels bright and buoyant. There is no anxiety, no dread, but in its place a happy anticipation of the baby's coming, which counts for the future happiness of the child unborn. The use of "Favorite Prescription" makes the baby's advent easy, and gives abundant vitality to nursing mothers. There is no alcohol in "Favorite Prescription," neither opium, cocaine or other narcotics. It is a purely vegetable medicine. Accept no substitute for "Favorite Prescription." There is nothing "just as good" for weak and sickly women.

A Mother's Testimony

"I would like to express my gratitude for the benefit received from your wonderful medicine, 'Favorite Prescription,' writes Mrs. H. C. Anderson, of South Britain, New Haven Co., Conn. (Box 33). 'During the first month of pregnancy I could not keep anything on my stomach. Was so sick that I had to go to bed and stay for weeks. I tried different doctors, but with little benefit. I read about many being helped by using your medicine so I thought I would give it a trial. I began to take your 'Favorite Prescription' in November, and I had a nice little baby girl in February following. My baby weighed over eight pounds. I was only in hard labor about one hour and got along nicely during confinement; was up and dressed on the eighth day. I never had the doctor with me at all. My friends thought that I was sick a very short time. I think Dr. Pierce's Favorite Prescription is indeed a true mother's friend, for it helped me wonderfully.'

Dr. Pierce's Favorite Prescription makes weak women strong, sick women well.

IT'S MIGHTY SURPRISING
how many people get hurt by going about things the wrong way.

Just as easy to start right. Some farmers kick at the price of Good Clean Seed and Pure Ammoniated Bond High Grade Fertilizer, and the farm gets hurt every time. Cheap seed and Adulterated Fertilizers are bought at a low price, and the soil is polluted with ripple and impoverished.

Then the farmer thinks his land is worn out and says there is no money in farming.

McCAlmont & CO'S CHAMPION \$25, AMMONIATED BONE PHOSPHATE is the biggest value ever offered. It doubles the yield, develops the berry of the grain, and enriches the land. Both the farmer and the land are made rich by the using.
