

SHAFFER SPEAKS BOLDLY

Denies That Steel Workers Broke Their Contract.

DECLARES STRIKE IS NOT LOST

His Motto: "A Speedy Death Is Preferable to Starvation"—Would Be Thankful for Coal Miners' Support.

Brennan Has a Remedy. Pittsburgh Sept. 3.—The big Labor Day demonstration monopolized the attention of workmen and strikers here and in the surrounding towns.

"They say that we broke our contracts when we came out on this strike. As the head of the Amalgamated Association in the United States, I am here to say that such a statement is as false as the heart of the man who made it.

"It has been said that the strike is already lost and that a wise general is always ready to retreat if by so doing he can save his army from annihilation. All I have to say to this is, that Shaffer's motto is 'a speedy death is preferable to starvation.'

"If it comes to a last resort, there are the local coal miners. If in the course of time their leader shall think it best to quit work to help us, then we shall be thankful for support."

Mr. Brennan preceded Mr. Shaffer in an address that wrought his hearers up to a high pitch of enthusiasm. He advised them to guard the ballot as the "ark of labor's covenant," and told them that it was their ultimate salvation. The old ways of fighting by laboring men will have to be abandoned, he said, and up to date methods employed.

TIN PLATE MEN URGE DEFECTION

Joliet Workers Want Demmler and Star Strikers to Desert.

Pittsburg, Sept. 4.—A movement which may be of considerable moment to the strike came to light last night. Letters from influential tin plate workers of Joliet have been received by leading tin plate strikers at Demmler and Star plants.

It is argued that this would put the tin plate workers in position to ask for a scale for next year, whereas if they remain with the Amalgamated Association and the strike should be lost they would be compelled to go back to work individually.

A canvass of the Demmler men has been made, and it is said that 90 per cent. of them are in favor of returning to work at once.

MISS EASTWICK IN COURT

Philadelphia Woman Arraigned For Alleged \$500,000 Forgery.

London, Sept. 3.—Marie Josephine Eastwick of Philadelphia, was arraigned in the Guild Hall police court yesterday, charged with having forged a railway certificate to the value of £100,000 (\$500,000). Sensational evidence was presented.

It was testified that she received an introduction to Mr. Beeton, a member of the stock exchange, to whom she represented herself to be the owner of securities worth, roughly £500,000. She said she wanted to buy a thousand shares of the United States Steel Corporation as a speculation.

Later, the public prosecutor said, she went to a broker's office, and after some argument about the smallness of the purchase, was accommodated with five shares of Canadian Pacific stock. Then she asked Mr. Beeton for a loan on a thousand shares of Canadian Pacific and sent him the certificate, which she had received from the brokers, but skillfully altered so as to read a thousand instead of five.

Beeton's suspicions were aroused and he notified the police. The defendant was arrested on Saturday. The receipt for the registered letter in which the certificate was sent was found among the defendant's effects.

TWO MURDERED IN ATTIC

Negro Steward and Waiter of Yonkers Golf Club Killed.

New York, Sept. 2.—The bodies of David Scott and John Stevens, the one the steward and the other the head waiter of the Swanoy Golf Club, were found yesterday in a room which the men occupied in the attic of the club house, which is located on the outskirts of Yonkers.

The men were negroes, and Warner Simms, a colored waiter, is held on suspicion of knowing something of the murder, while Frank Dunnington, another negro, who called at the club on Saturday looking for work, is under detention.

The police found in the room the steel portion of a golf putter it had on it blood and hair, and this the police claim belonged to Simms. The handle was found down stairs, and this handle had the name "Simms" on it. The cash box, which was in the keeping of Scott, cannot be found.

CONGRESSMAN'S WIFE KILLED

Struck By Train While Driving With Friend—Both Dead.

Milwaukee, Wis., Sept. 4.—Mrs. S. S. Barney, of West Bend, wife of Congressman S. S. Barney, of the Fifth district, and Mrs. W. H. Ramsey, Sr., of Port Washington, wife of a former state bank comptroller, were killed by a Northwestern train yesterday one mile south of Port Washington Station.

After many had viewed the remains, W. H. Ramsey, Jr., who was about to take a train from Port Washington, was asked to see if he could recognize the bodies. Mr. Ramsey picked up the covering upon the body of Mrs. Barney, but the remains were so terribly mangled he could not make out the features.

McKINLEY AS ARBITER

President Offers Intervention in Venezuelan Trouble.

Washington, Sept. 4.—It is ascertained that on August 24, during Secretary Hay's recent visit to Washington, a telegraphic message was sent to the ministers at Caracas and Bogota, directing them to inform the foreign secretaries of Venezuela and Colombia of the distress with which the President had heard of the likelihood of a disturbance of the relations between those two republics.

The ministers were directed to say that, while the relations of this government with both nations are equally intimate and friendly and every opportunity is taken to show the good will we bear them, an offer of the President's kindly office to arrange any differences which may exist between Colombia and Venezuela would be ineffective without the acquiescence of both. It is understood that both countries will accept the president's offer of intervention.

BIG COAL TRUST FORMED

Morgan Reported to Have Purchased Entire Eastern Field.

\$300,000,000 INVOLVED IN DEAL

Bituminous Mining Companies From Pennsylvania, Ohio, Indiana, Illinois, West Virginia and Kentucky to Be Included in Proposed Corporation.

Pittsburg, Sept. 4.—J. P. Morgan will form another gigantic trust. This time it is said to be a combination of all the bituminous coal mining companies of Pennsylvania, Ohio, Indiana, Illinois, West Virginia and Kentucky.

The Pittsburg Coal company, with its capital of \$64,000,000, and the Monongahela River Consolidated Coal and Coke company, with its capital of \$30,000,000, are to be included in this great consolidation. These two corporations practically control all the output in the Pittsburg district and extend their operations well down toward West Virginia in two directions.

Other interests that will be represented from the Pennsylvania fields will be from the Berwind-White company, the newer Fairmont coal company, and a large number of smaller corporations of this kind.

The completion of this great project will mean the consolidation of from \$200,000,000 to \$300,000,000 of invested capital. This will represent not only the undeveloped properties in the six states, but also the actual coal properties under development.

How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.
