Nittany.

Mrs. Howard P. Zerby has returned home from the Pan-American and reports having had a very pleasant time.

The picnic on Saturday was not largely attended but those present enjoyed themselves very much, especially the young folks.

Mrs. Manda Evans, of Rebersburg, was the guest of her sister, Mrs. J. B. Crawford, over Sunday.

Mr. and Mrs. Charles McClintock are rejoicing over the arrival of a young daughter which came to their place recently.

While A. C. Young, of Mingo, was visiting his wife and little daughter at this place, he met with a very serious accident on William Showers' saw mill. He had walked to the saw mill to watch them saw and while there one of the pulleys burst and some of the broken pieces of the pulley hit him on the jaw breaking it at several places, and otherwise using him up in a horrible manner. The belt of the governor flying off caused the accident. He was brought home to his wife unconscious and later in the day was sent to the Lock Haven hospital for treatment. The family have the heartfelt sympathy of the entire community, as they have been severely afflicted. Several months ago one of their children died and he but recently recovered from an attack of typhoid fever. By fire they lost nearly all their household goods. He formerly lived at Cross Forks, but having been burned out there, had been staying at the home of his father-in-law, John Minich, at Huston. At the hospital the surgeons found on examination that the man's jaw is broken in two places.

Mr. and Mrs. William McKibben are rejoicing over the arrival of a young son.

Miss Telitha Hoy and sister, of Hubersburg, took in the picnic at this place, on Saturday.

Snydertown school, taught by William Markle, began on Monday, while the Franklin academy, taught by A. A. Fletcher, will not begin till next Monday. This being fair week, some of the large scholars asked for the week off and their teacher has granted their request. We suppose A. A. will take in the fair also.

The pastor, Rev. Boggs, of the M. E. church, gave us a very able discourse on the building of character. We trust it will do some good.

The band boys had a festival Saturday night. They were well patronized, particularly by our Nittany valley boys. There must be some great attraction here. We noticed Harry Lutz looking very coy at some of our maidens.

Mr. Grove received his visitors in his usual cordial manner and after a brief conversation escorted the party to the grounds, assisted in picking the berries and an ample quantity was secured. Previous to their departure he presented them with a basket of plums—his kindness is proverbial. Mr. Grove is a hale old gentleman, well informed, a brilliant conversationalist, always delighted to entertain his friends and his democracy is unquestionable.

September 7th, 1901, was an eventful day at the home of Mr. and Mrs. W. G. S. Crain, in Port Matilda, where the Merryman family and connections gathered together with the double purpose of celebrating the 50th birthday of Mrs. Mary Merryman, widow of Wm. Merryman, many years deceased, and holding a family reunion. Looking back to the early settlement of Eliza Merryman, who came from Maryland to Bald Eagle valley in an early day, and who was sired to the present Merryman family and connection, speaking of the reuniting of family ties, it was both social and pleasant, all enjoying themselves fully; about 75 connections were present, the names and addresses of which are omitted for want of time and space. The one interesting feature of the day was the dinner, which was fully complete. Mr. and Mrs. Crain spared neither expense nor taste in preparing a dinner to the entire satisfaction of each participant. After dinner were well disposed of, able addresses were made by Revs. Sparks and Latschaw, and others; in concluding we can say that it was a success as a birthday gathering and a reunion of true friendships, created many years ago, not to be forgotten by the offspring. The event was one of social and kind enjoyment, long to be remembered by those present. May the sunshine of true love ever brighten their pathway.

Nothing Like Oil.

"In dealing with man, remember that a spoonful of oil will go farther than a gallon of vinegar." The same may be said of children. There is nothing so good for children as the old-fashioned castor oil. However much they may abhor it, it is their best medicine for disorders of the bowels. In the more severe cases of diarrhoea and dysentery, however, Chamberlain's Colic, Cholera and Diarrhoea Remedy should be given after the oil operates, and a quick cure is sure to follow. For sale by Green's Pharmacy.
