ESTEY CHAPEL ORGAN.

To be Given to Some Church or Sunday School.

Read the following conditions of awarding the Estey Chapel Organ. Note particularly two kinds of votes—coupons cut from the paper, and premium coupons issued at the office:

You are invited to call and examine the instrument, now on exhibition at Gephart's Music Store, Bellefonte.

CONDITIONS OF AWARD.

**NEWSPAPER COUPONS**—A blank ballot or coupon will be printed in each copy of the paper and the name can be filled in same for whatever church, Sunday School or religious organization you may want to vote. These votes should be sent in to this office at once, as they will not be counted after they are six weeks old, and the date and number of each will appear on them.

**PREMIUM COUPONS**—Any person who pays his subscription in advance will receive a "Premium Coupon" that will entitle him to 2 votes for each month his paper is paid in advance, or 25 votes for a year in advance. No one can pay for more than 4 years in advance. Any person who sends in a New cash subscriber to this paper can get a Premium Coupon, entitling him to 4 votes for each month in advance or 50 votes for a year. No subscriptions will be received for less than 6 months.

**Substitutions**—In no case will substitutions be allowed during this contest. By that we mean where a subscriber discontinues his subscription and then has some other member of the family or household subscribe in order to get the benefit of the NEW subscription rate. This practice formerly caused us a great deal of annoyance in revising our list. In any case where a substitution of change in name has taken place, and it is discovered, such votes will not be counted.

A ballot box will be kept in this office, under lock and key, where the votes can be deposited and will be counted each week by two judges and the result will be published regularly.

The following is the "NEWSPAPER COUPON," cut it out, as some one will be anxious to have same:
