The Clothing advantages that the Biggest Men's and Boys' Store in Central Penn'a enjoys makes possible the giving of Extraordinary Values. We feel justified in saying that

## TEN DOLLARS

spent with us will buy as much, will buy it better, will give the spender more all-round satisfaction than fifteen dollars will spent elsewhere. You need only see our goods and get our prices to fully appreciate the truth of this statement. It will mean dollars in your pocket if you but bear in mind when in need of Clothing that there is a store in Bellefonte showing more Clothing than all the other stores in Bellefonte combined; showing a better grade of Men's wear in every particular; better made, better fitting and better qualities of materials and trimmings; Clothing that will prove highly satisfactory in every way. Bear this in mind as a statement coming from the Best Store for Men and Boys in Central Penn'a, and then give it the consideration it merits. You need not buy, but you can never know how much clothing good it is possible for us to do you unless you do investigate. That's why we ask a call; we want you to compare us in every way with others—you will find it time profitably spent and very much to your interest. There is every reason why you should trade here. We show ten styles to others' one; we show you only the Best Tailored Ready-to-wear Clothing made in America; we sell you Clothing that fits better, has more style than you get from the majority of merchant tailors, and WE WILL beyond all question save you from Two to Five Dollars on every Suit or Overcoat you buy from us. We know this is a bold statement and we are anxious, extremely anxious, for an opportunity to prove to you that it is in no sense an exaggeration. Investigate our methods, our goods, our prices, and you will need no other argument to convince you of our clothing supremacy; you will be a customer of ours; you will save money; you will dress more satisfactorily. It will cost you nothing to see, and our showing of all kinds of Men's wear is so large, so well selected and prices so low that we believe you do yourself an injustice if you buy before seeing us.

We Promise You Much. We Will Do Even More. Try It.

## WONDERFUL, THE AMOUNT OF SHOES YOU SELL!

Nothing wonderful about it; sell Shoes as we sell them and you can't help but sell lots of them, is what we told the gentleman who made the above remark. Save a man from 25c. to \$1.00 on every pair of Shoes he buys and he is quick to take advantage of it. Keep the kind of Shoes he wants and you have the story in a nutshell. This is what our New Shoe Department is doing, and that's why there is nothing wonderful about its rapid growth, and that's why it will continue to grow.

Better Shoes for less money, and the kind of Shoes you want, has made this less than a year old THE BEST MEN'S AND BOYS' SHOE STORE IN BELLEFONTE. It will get better as it grows older. Watch it.
