A CORPS OF ABLE WRITERS

Our Alert Correspondents Note Many Important Events in Different Localities—What is Transpiring—Is Your Section Represented?

Port Matilda.

The farmers in our vicinity with but a few exceptions are ready for winter.

The fun loving boys of Port Matilda, had a funny time on Hollow eve night in upsetting and removing small private buildings standing in the back part of different lots; but surely they had a funnier time the night following restoring them to their proper places again by order of the owners. Ha! ha! lots of fun in our town.

B. F. Gage, a huckster from South Philipsburg, who was well known in this place in making his usual trip over through Ferga on Twp., for produce, stopped at Port Matilda on Wednesday of last week leaving horse and wagon at Mrs. Lytle's taking day express for Tyrone promising to return on the evening train of same day, has not returned at this writing; his absence is clouded with mystery.

The new dwelling house of John M. Williams, our accommodating miller, is fast nearing completion and when finished will be a fine structure.

We are not positively certain that we have any blood thirsty anarchists in our neighborhood, but we are sure that we have those who forsake both honor and early training by trying to destroy the comforts and happiness of their neighbors, and while thus satisfying their low ambition, they are neglecting honors at home.

Dallas Cronister, the champion coon hunter, of Huston twp., took his annual coon hunt a few nights since, accompanied by Charley Miller, another mighty nimrod of the forest, which hunt can be noted as full of adventure.

As they plodded through woods ever watchful, when all of a sudden they were startled by an unusual noise in the woods below them, and as Miller had the only gun in the party he started ahead, Dall following on a dog trot, and before getting quite to the noise, stopped to listen, he heard a noise which made his hair stand on end; it was the snapping and growling of two cub bears located on top of a hickory tree.

He quickly called Miller with the gun; he called loudly "shoot, Miller shoot." Miller did shoot, but no good. Dall said, "give me the gun, I never hit anything with a gun in my life, I'll try this;" so he leaned against one tree and held the gun against another and blazed away—down came one bear.

Dall was then wild with excitement. He said, "hold on Miller, let him lay I'll get the other one." He blazed away again, he had become so very nervous by this time that he only stunned the second one which fell to the ground; however, and with the help of the dog and a good supply of shells they did him up also; and as their ammunition was exhausted they could do nothing but retreat which they did in good order, each one with a cub on his back, started for their homes some 3 or 4 miles distant, repeating as they bounded homeward, "good enough for one night."

RHEUMATIC WARPED LIMBS.

To suffer the most excruciating pains, to lose the use of limbs, and to have the joints swollen and disfigured is the lot of the victim of rheumatism. Uric acid in the blood is the cause of rheumatism. If the kidneys are active, they remove the uric acid. That is their special work. If, on the other hand, the kidneys are deranged, there is sure to be uric acid in the blood and rheumatic pain through the body. No amount of liniment will ever cure rheumatism. It sometimes relieves, but cure can only be brought about by setting the kidneys right. The most effective kidney remedy known to man is Dr. A. W. Chase's Kidney-Liver Pills. One pill a dose. 25c. a box at all dealers, or Dr. A. W. Chase Medicine Company, Buffalo, N. Y.

They cure rheumatism permanently by making the kidneys active in their work of removing the uric acid from the blood. Mr. William J. Cook, No. 65 Bronson Street, Oswego, N. Y., writes: "I am very glad to praise Dr. A. W. Chase's Kidney-Liver Pills, and tell what they have done for me. I suffered for many years with severe constipation, rheumatism and kidney trouble, and could get no relief until I tried Dr. A. W. Chase's Kidney-Liver Pills. In them I found immediate relief, and can honestly recommend them to other sufferers."
