ESTEY CHAPEL ORGAN.

To be Given to Some Church or Sunday School.

Read the following conditions of awarding the Estey Chapel Organ. Note particularly two kinds of votes—coupons cut from the paper, and premium coupons issued at the office:

CONDITIONS OF AWARD.

NEWSPAPER COUPONS:—A blank ballot or coupon will be printed in each copy of the paper and the name can be filled in same for whatever church, Sunday School or religious organization you may want to vote. These votes should be sent in to this office at once, as they will not be counted after they are six weeks old, and the date and number of each will appear on them.

PREMIUM COUPONS:—Any person who pays his subscription in advance will receive a "Premium Coupon" that will entitle him to 2 votes for each month his paper is paid in advance, or 25 votes for a year in advance. No one can pay for more than 4 years in advance. Any person who sends in a *New card* subscriber to this paper can get a Premium Coupon, entitling him to 4 votes for each month in advance or 50 votes for a year. No subscriptions will be received for less than 6 months.

Substitutions:—In no case will substitutions be allowed during this contest. By that we mean where a subscriber discontinues his subscription and then has some other member of the family or household subscribe in order to get the benefit of the NEW subscription rate. This practice formerly caused us a great deal of annoyance in revising our list. In any case where a substitution or change in name has taken place, and it is discovered, such votes will not be counted.

A ballot box will be kept in this office, under lock and key, where the votes can be deposited and will be counted each week by two judges and the result will be published regularly.

You are invited to call and examine the instrument, now on exhibition at Gephart's Music Store, Bellefonte.

to be given to some Sunday School or Church in Centre county, by THE CENTRE DEMOCRAT.

Henderson Grimmett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured. —GEO. R. McDONALD, Man., Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by Green's Pharmacy.

This coupon, if held longer than 6 weeks from date, will not be counted. Send by mail or personally to this office and have it deposited in the Ballot Box.

Linden Hall.

Miss Mattie and Annie Long, of Centre Hall, called on friends here the beginning of the week.

Mrs. George Seanson spent Sunday with friends at Fairbrook.

Arthur Kimport and family, of Bellefonte, spent a short vacation at the home of the former's uncle and while here proved his prowess in hunting by bagging one squirrel.

Edward Page moved his family from Whitmer Station to this place into the tenant house of Fergus Potter, Esq. He is welcomed back as a former citizen.

O. C. Bradford, our efficient telegraph operator is in the mountains after the deer and his post is being filled by a young man from Milton.

Mrs. Elizabeth Gettig, who has been suffering from a severe attack of sciatic rheumatism, is somewhat improved.

Revival services opened in the U. Ev. church on Sunday evening. All Christian people should be present and unite in the work.

A birthday party was held in honor of Mrs. Hester Long, on Monday of this week.

Chas. Dagie, former assistant overseer of the large saw mill, moved his family to Sonbury last week where he will be employed in the car shops. We are sorry to lose such a good citizen.

Considerable trepidation is experienced by some of our farmers in reference to their hogs, and with good reason. A disease being among them, pronounced by Dr. Frye as typhus fever; one farmer, we are informed, lost his entire stock of pigs and others suffered to some extent.

The baseball game on Saturday was won by Boalsburg by a score of 11-7. Our boys made a plucky stand, but Boalsburg was too many for them.

A few nights ago several nocturnal marauders, doubtless craving a mess of plump fowl, called on one of our south side farmers. He hearing the noise, took a peep at them from his window and noticed three, one on a tree and two on the ground. He started for his gun determined to give the fellows a lesson in target practice, but while returning he stumbled over a chair, and the thieves hearing the noise hastily pulled stakes for less exciting and safer quarters. They are known and had better lay low.

Scott Weiland, who is clerking for his brother Alf, in Nordmont, Sullivan county, was home over election and helped to swell the democratic majority.

Chicken pox is not quite through with its unwelcome work in this community, but is giving us a long siege.

On Monday about noon a terrible accident occurred which resulted in the serious injury of one of our most model and trustworthy young men, in the person of Howard Zeigler. While returning from Pleasant Gap, where he had taken to his brother a load of cornfodder and when near the house occupied by Ed. Page, it is supposed that a long pole which he had on the wagon became detached at one end which presumably caught at an obstruction on or near the ground and tended to hurl it with terrific force through the air, landing it on the head of Mr. Zeigler, who it is supposed was walking alongside of his team. The first intimation anyone had of the accident was when the family of Mr. Page noticed the frantic team going at full speed up a nearby hill, and on going out to investigate, observed the unfortunate young man on his elbows and knees trying to rise, but in a stunned condition. Neighbors soon arrived and he was carried into the house of Fergus Potter, where kind friends ministered to him and made him as comfortable as possible. The thought uppermost in the mind of the injured man seems to have been for the safety of his team, but he soon lapsed into his former unconscious state and remained in a comatose state till morning. The four horse team attached to a long wagon, strange as it may appear, escaped without an injury, but made all turns and swung around all obstacles, not only successfully, but very skillfully. The young man's skull is fractured and he is therefore in a precarious condition. A man might travel far before finding a young man that held a higher place in the esteem and confidence of all who knew him, and in this unfortunate affair he has the sympathy of the entire community, who unite as one person in the wishes and hopes for his recovery.
