

CHARGED WITH DECEIT

President Mitchell, of Mine Workers' Union, Accused.

OTHER OFFICERS ARE INCLUDED

Miss Meredith, a Former Employee, Accused Officers of Withholding Facts of Pearce's Shortage, and Said They "Wilfully Lied" to Committee.

Indianapolis, Ind., Jan. 22.—Charges against President Mitchell, Secretary Wilson and the executive board of the United Mine Workers of America were the first order of business before the convention yesterday afternoon. The unexpected announcement that the charges would be taken up caused a flurry of excitement in the convention.

The charges were made by Miss Millie Meredith, a former employe of the national office. A committee was appointed to escort Miss Meredith to the convention hall to explain her charges. They related to the alleged defalcation of former Secretary-Treasurer Pearce and accused President Mitchell and Secretary-Treasurer Wilson of not giving out all the facts concerning Pearce's actions, declaring they "wilfully lied" to the miners' committee a year ago. She demanded an investigation of the books to see how much Pearce's shortage really was. She intimated that both Mitchell and Wilson sought to protect Pearce, and for that reason, did not give out all the facts, and charges that Pearce frequently presented bills for double the amount of purchases. She also said that Pearce's "extra money" amounted to \$2,000 a year, while Mitchell and Wilson reported that he had taken only \$160. Miss Meredith declared that Mitchell allowed Pearce to go away as a "sick man" and send in his resignation from French Lick Springs.

At the end of Miss Meredith's statement Mr. Wilson arose. He denied the truth of the statement, and said it was the outgrowth of spite. Miss Meredith, he said, was recently discharged as an assistant secretary. She is the young woman to whom a gold medal was presented for discovering the Pearce shortage.

President Mitchell said he wished to reply to the charges, but the convention took a recess for dinner. When the convention reassembled Mr. Mitchell addressed the delegates, denying the stories contained in Miss Meredith's statement. His remarks were frequently interrupted by applause.

President Mitchell made affidavit that the statement he made to the Mine Workers' convention a year ago was the truth and the whole truth. He submitted the affidavit to the convention.

Following the conclusion of President Mitchell's statement there was a protracted discussion. A resolution was offered during the confusion expressing confidence in President Mitchell and the other accused officials and condemnation for Miss Meredith, but it was voted down, and National Organizer Evans submitted a substitute resolution calling for the appointment of a committee of seven to investigate all charges and report to the convention. This was adopted.

MURDERER COLLAPSED

Execution of John Lutz at Wilkesbarre Was Sensational.

Wilkesbarre, Pa., Jan. 22.—John Lutz was hanged here yesterday morning for the murder of his wife 26 months ago. The drop fell at 10:17 o'clock, and his neck was broken. He collapsed on the scaffold during the last minute, and would have fallen had not the sheriff seized his arm and steadied him until the drop fell. When the rope was being adjusted he cried out in agony: "Oh, don't!" Then he utterly collapsed and the execution had to be hurried. It was the most sensational hanging that Luzerne county has yet had.

Berlin, Jan. 21.—Admiral Prince Henry of Prussia while in the United States will visit Chicago, Milwaukee, Niagara Falls and Boston. These points are embraced in the itinerary which has been cabled here by Dr. Von Holleben, the German ambassador at Washington. This program was submitted to Emperor William and Prince Henry yesterday and has been approved by them. Its general outline is as follows:

February 22—The arrival of the prince and his suite at New York.

February 23—The official welcome by the representatives of President Roosevelt, the governor of the state of New York and the mayor of New York city.

February 24—The launching of the yacht at Shooters Island and a dinner to be given by Prince Henry.

February 25—A reception in honor of Prince Henry, a dinner in his honor to be given by the mayor of New York, and, if consistent with these functions, a reception by the Press Club.

February 26—The prince and his party will proceed to Washington, where the prince will reside at the German embassy. He will exchange calls with President Roosevelt, and be entertained at dinner at the White House.

February 27—Official receptions and visits and a dinner at the German embassy.

February 28—The prince and his party will start for Chicago.

The apportionment of the prince's time between Chicago, Milwaukee, Niagara Falls and Boston has not yet been precisely made. In fact, although the foregoing is the official plan as it stands today, any part of it may be subsequently modified. Cablegrams on the subject of the program are still being exchanged.

SEVEN DEAD IN CAMP FIRE

In Five Minutes Escape Was Cut Off and Victims Were Cremated.

Hambleton, W. Va., Jan. 22.—Early yesterday morning Camp Five, of the Creek Boom and Lumber company, several miles from here in the forest, took fire and burned so rapidly that seven of the 40 men asleep in the building failed to get out and were burned to death. Following is the list of dead: John Morrissey, John Riley, George Van Horn, Arthur Hedricks, Thomas Hickey, Mike Cranon and Forrest Manard.

It was not more than five minutes from the time when the alarm was given until there was no chance of escape. The camp was 22 by 50 feet, and the upper part all in one room, and in this the forty men were sleeping. Two very small windows and the narrow stairs afforded the only ways of escape, and those who went to the windows, a dozen or more, had to jump 12 or 15 feet, the others pushing down the steps like sheep, rushing and tumbling and falling over each other. After they were out some of the men inside could be seen in the flames, but not a cry came from the building. The dead were almost entirely cremated. There were scarcely 40 pounds of flesh and bones of all brought here last night in a little box. The men who escaped lost their clothing and were compelled to travel through eight inches of snow almost naked to another camp a mile away.

Boy Carried Under the Ice.

Middletown, N. Y., Jan. 21.—Henry Dillon, a 12-year-old boy, while skating on the Phillipsburg dam on the Walkkill, near here, skated into an airhole. The current carried him under the ice for nearly 500 feet to a rush of water, falling 15 feet. There are many rocks below the dam, but young Dillon fell into a deep pool, out of which he floated into the swift water below. His companions reached the dam just as the boy was carried over and rescued the unconscious lad. He was soon revived, and yesterday he showed no bad effects of his narrow escape.

Refused to Accept Wages.

Hazleton, Pa., Jan. 21.—Because store bills were withheld from their pay, which they allege is contrary to law, the miners at the Beaver Brook colliery of Dodson & Co. yesterday refused to accept their wages for the first half of January. The men will continue at work until the return of District President Duffy, of the United Mine Workers from Indianapolis, when the semi-monthly law may be taken into the courts.

Tobacco Trust to Invade Mexico.

Laredo, Tex., Jan. 22.—A Monterey, Mex., special says: The American Tobacco Company is preparing to invade Mexico for the purpose of securing control of the tobacco industry. This was practically admitted by Wells Baldwin, of New York, one of the general representatives of the company, yesterday. Mr. Baldwin said he was not at liberty at present to talk about any plans that the company has in reference to Mexico.

"Schley and Santiago."

Chicago, Jan. 22.—The first copy of "Schley and Santiago" left the presses of the W. B. Conkey company yesterday. The book contains many striking historical events, including fac-simile of autograph letters, and also a letter bearing Admiral Schley's signature, and dated Hotel Richmond, Washington, January 1, 1902, referring to the author.

A 20-Year-Old Bigamist.

Jamestown, N. Y., Jan. 22.—A boy 20 years old is under arrest in this town, charged with bigamy. Matthew N. Davis, it is alleged, has two wives, one of whom is only 16 years old, and the other 18 years.

COLLAPSE.

That one word sums up the catastrophe which closes the active career of many a business man. Energetic and ambitious, he puts his life into his business. He can barely take time to eat. He cannot rest or take a vacation. And so he toils on, letting business cares encroach upon his hours of rest and refreshment.

Extra strain needs extra strength. When a man begins to add to his hours of labor, and subtract from his hours of rest, he is putting an extra strain on brain and body. In such cases many men make the serious mistake of using stimulating liquors, or alcoholic medicines. These can only injure. They do not strengthen him. Stimulants are only spurs. The need of the body is strength, and there's only one thing that will make strength and that is food. Food is the body's life. But food must be digested, before it can nourish the body. It is not what we eat but what we digest that feeds us. Don't neglect the first warnings of stomach trouble. The timely use of Dr. Pierce's Golden Medical Discovery, which is a medicine for the cure of diseases of the stomach and organs of digestion and nutrition will in ninety-eight cases out of a hundred result in a permanent cure. "Golden Medical Discovery" is invaluable to overworked men and women. It strengthens the stomach, increases the blood supply, nourishes the nerves, and gives vital power to brain and body.

There is no alcohol in "Golden Medical Discovery." It contains no opium, cocaine or other narcotic. It is strictly a temperance medicine.

"I wish to express my thanks to you for your wonderful medicine," writes Mr. George Logan Doggett, of Piedmont, Greenville Co., S. C., Box 167. "I was almost past work, suffering so much from chronic catarrh and indigestion. Your 'Golden Medical Discovery' was recommended by a friend. I used it for three months, and was completely cured of indigestion and greatly relieved of catarrh; for all of which I wish to thank you."

Mr. Edward Jacobs, of Marengo, Crawford Co., Indiana, writes: "After three years of suffering with liver trouble and malaria I gave up all hopes of ever getting stout again, and the last chance was to try your medicine. I had tried all the home doctors and received but little relief. After taking three bottles of Dr. Pierce's Golden Medical Discovery and one vial of his 'Pleasant Pellets' I am stout and hearty. It is due entirely to your wonderful medicines."

Dr. Pierce's Pleasant Pellets cure constipation. They do not make the user dependent on them, but can be dispensed with as soon as the cure is completed.
