BRIEFLY TOLD IN A FEW LINES

Movements of Our People—Personal Mention, Society Events—What Has Transpired Worth of Mention—Short Paragraphs

Ira Lyle, of Lemont, has been granted a pension, \$10. A little girl came to the home of Edward Wittaker, recently. Harry McKee, of Wilksburg, is a visitor at the home of Mr. and Mrs. H. Y. Stitzer. William Chambers, the assistant postmaster, is confined to his home with an attack of the grip. The paper hangers and painters are at work on Petriken Hall and some of the rooms look exquisite. On account of scarlet fever, the home of Robert Woodring, on North Penn street, has been quarantined. William Longwell, who has been working at Steelton, Pa., has accepted a position with Edward Eckenroth at this place. A. G. Archey, the register, on account of the flood, concluded not to undertake the trip to Pine Grove Mills, and remained with us over Sunday. E. P. Irvin, who disposed of his hardware store, is going to Asheville, N. C., this week on a tour of investigation. He expects to locate at that place in business. All persons who made remittance on subscription during the past month of February will find the date on their label changed this issue. Look at it and see if same is correct. Charley Larimer has resigned his position as messenger for the Adams express company in this place and will accept a position in the Bell telephone service. Oliver Hazel has accepted the position. McCalmont & Co. are busy having their new rooms in the Bush Arcade arranged for their stock. They will occupy the three lower rooms and then will be crowded owing to the large stock carried by them. The Hawthorne Musical club will be the next entertainment of the W. C. T. U. course, in the court house, Friday evening, March 7th. It is a concert comedy company with a lot of novelties and a popular program. At the Bellefonte Ministerial Association Monday afternoon a sermon on "Justification, its conditions and results" was read by Rev. W. H. Brown. A paper, scriptural "Doctrine in Christian experience" was read by Rev. Mr. Crittenden. An old-fashioned summer thunder gust passed over this part of the county on Friday night, 9 p. m. The lightning and thunder would have done credit to a July gust for vividness and roar. Next day, Saturday, was bright, calm and warm like a May day. On Monday Arthur Thomas was out driving and when coming down Bishop street, the beast became unmanageable and ran away. Thomas was thrown from the buggy and sustained a gash on the head. The buggy was badly broken but the horse was uninjured. Since the water works at this place were closed down on account of the high water last week the question of erecting a new building and machinery instead of the old plant, will again be agitated. A town without water is in a serious predicament and should be avoided if it is possible. Messrs. J. H. Wolf and O. W. Bowersox, two of our patrons from State College, called on Monday to have their paper forwarded to Oak Grove, Pa., where they have purchased lots and are erecting houses, which they will occupy about the first of April, intending to make that place their future residence. Wednesday, March 12th, is the next date for Prof. Angel to visit this section. You will see his announcement in another part of this issue. Persons who have defective eyesight should make it a point to call on him as he has the best credentials and has treated many people of this community in a successful manner. Wednesday evening an enjoyable entertainment will be given in St. John's Catholic church, this place in which the famous Passion Play at Oberammergau, and "Joan of Arc" will be presented by moving pictures. The great interest in the Passion Play and the life of Joan of Arc are topics that will make this an instructive entertainment. Admission 35 and 25 cents. Isaac Mitchell received a letter from Col. J. L. Spangler on Monday that had been written on the 23th of last month, sent from Nassau, N. P. Bahamas. After a rough trip by sea from Cuba they landed at that place and found it to be a delightful climate, for anyone desiring to rest and recuperate. The Col. says that he sleeps better there than he has for a long time and is enjoying much better health than when he left Bellefonte. Mrs. Spangler is with him and they may stay there for some time as they like the place and the Col. is out for the benefit of his health.

—Basket Ball at the Armory this evening. —Mr. and Mrs. Lee Larimer of Jersey Shore, are Bellefonte visitors. —Maurice Otto, of Clearfield, is visiting his parents on Lamb street. —The Bilt Well shoe for men at \$2 50 is a good one. Yeager and Davis. —Harry Showers, of Williamsport, is visiting his parents on Bishop street. —James Whittaker, of Bellefonte, has been granted a pension of \$8 a month. —Miss Ida Weaver, of East Howard street, is visiting friends in Harrisburg. —George T. Brew, of Oakland, Md., was an arrival in Bellefonte, Wednesday. —Ex-commissioner Frank Adams still remains housed up; his condition is critical. —That ground hog was a dandy this year. We are getting plenty, and more of it. —Benj. Gentzel left on Tuesday for another car load of horses which will be sold at Millheim. —Something new, the "Vocallion," at Gephart's Music Store. You can hear it any time you call. —From what our local correspondents report the flood struck all localities, with more or less damage. —Mrs. Simon Harper, of Centre Hall, came over Tuesday to have a three week's visit among friends here. —The Grange Insurance Co. had a meeting of officers for Wednesday, at Bellefonte, but only a few got there. —D. B. Newcomer, proprietor of the Haag Hotel, attended the funeral of his brother-in-law last week at Loyville, Pa. —P. B. Crider, and grand-daughter Miss May, returned home on Monday from their visit to the Charleston Exposition. —Hon. John S. Rilling, a former chairman of the Democratic State committee, was a prominent Bellefonte visitor, Tuesday. —Sol. Peck, of Nittany, transacted business at the county seat Monday—he says the flood damage in his section was not serious. —Dr. E. I. Kirk, who at one time was a resident of Bellefonte, and a brother of Dr. M. A. Kirk, died in Ohio last week of appendicitis. —Ad. Ripka, of Potter, constable Frank, of Tusseville, and constable Will Runkle, of Centre Hall, were in town Monday. —The lower match factory had to close down for about a day last week owing to the high water that surrounded it. They had no loss. —Abendego Warren, of Philipsburg, and William McIlhatten, of Bellefonte, have been placed on the pension rolls at \$8 a month each. —Mrs. M. P. Blanchard and Miss Sara B. Hagerman, of Bellefonte, attended the funeral of the late Jas. C. Williams in Philipsburg last Friday. —John Woods, of Spring township, dropped in and chucked a silver dollar on our desk and his name immediately went on the list as a new subscriber. —W. W. Barnhart, of Roland, Pa., paid us a visit on Monday to order sale bills for April 2nd. He expects to give up farming this spring and has not determined yet as to what he will follow. —Folks woke up yesterday morning to find a big snow storm on hand, which blew and snowed all day. We had every sort of weather within a week, including a summer-like day on Saturday. —During the past week Bellefonte's merchants, between floods and snow squalls, have been posting books and the clerks sleeping over the counters. We will all be happy yet, you bet, when the clouds roll away. —Wednesday morning the County Commissioners went by early train to Spring Mills to inspect the condition of the wrecked trestle bridge. It was found to be badly broken, but not beyond repair. The severe snow storm prevented them from making very close examination and they came back on the next train. —M. C. Gephart, the music dealer, has something in his store that should interest every person who admires good music. It is an instrument built especially for churches that has the pipe organ principles but is not as expensive and can be had for less money. This instrument called the "Vocallion" is attracting attention and a number of churches in the county are thinking of buying one. It can be seen in his Bellefonte store any time. —On Saturday evening an interesting game of basket ball was played at the Armory between the Bellefonte Academy team and the Company B boys. Both sides have been in training for this event and showed considerable skill in handling the ball. It was an even game all the way through as each side kept scoring right along, and there were some excellent plays made. The Academy won by a score of 17 to 15. As this was the first game played for a long time in our town, few of our people knew anything at all about the game. It is much in the order of foot ball, without the rough work of that game. It is likely that a series of games will be arranged later on, in which the team from State College will play. The next game, no doubt, will attract a better attendance. The game is a good one and worth seeing.

OLD AND NEW BORO COUNCIL

Proceedings of the Two Sessions on Monday.

WILL REBUILD WATERWORKS

Committee Appointed for that Purpose. New Officials Chosen by Council. Committee for the Coming Year. Several Good Jokes.

Monday was busy day for council as the old body completed their work and the new one was organized. The usual routine bills amounting to \$2,625.56 were approved. The report of the finance committee was in substance:

Account Charles F. Cook, Borough Treasurer, March 4, 1901, to March 3, 1902. Bal. in hands of Treasurer March 4, 1901 \$1,847.50 Received from various sources 32,305.70 \$34,153.20

Bal. in hands of Treas., Mar. 3, 1902 \$1,386.90 SINKING FUND ACCOUNT. Bal. in hands of Treas. March 4, 1901 \$688.72 Interest received 7.50 \$696.22

After this council adjourned. During the recess 'Squire H. H. Harshberger swore in the new councilmen, Geo. Mallory, Dr. D. M. Kirk, William Derstine, and Borough Auditor Isaac Underwood, Borough Treasurer George R. Meek, Overseer R. S. Brouse and High Constable Benj. Williams into their respective offices.

The new council met and the first business was the election of a president, and W. F. Reynolds was unanimously chosen. For clerk of council Mr. Garrity nominated Oscar Wetzel, Mr. Potter nominated H. B. Pontius, who was elected, having one more vote than Wetzel—Pontius, 5; Wetzel, 4.

EVENING SESSION. The new council met Monday evening at 7:30 o'clock with all members present. President Reynolds announced his standing committees as follows:

- Finance—Potter, Kniesely and Garrity. Street—Derstine, Cunningham and Potter. Fire and Police—Kniesely, Wittaker and Mallory. Water—Garrity, Whittaker and Kirk. Nuisance—Cunningham, Derstine and Kirk. Market—Potter, Kniesely and Mallory.

Village Improvement—Whittaker, Potter and Kirk. For Street Commissioner there were five candidates named as follows: James Gallagher, Joel Johnston, Thos. Shaughnessy, Robert Miller, and John Carney. Shaughnessy was elected on the first ballot, the vote being, Shaughnessy 5; Johnston 1; Miller 2; Carney 1.

Supt. Ryan was re-elected Water Superintendent for the ensuing year. Amos Mullen and Harry T. Miller were re-elected police officers. There were three candidates for Borough Solicitor, namely: D. F. Fortney, Clement Dale and E. R. Chambers. The first ballot resulted, Fortney 4; Chambers 3; Dale 1. The second ballot resulted, Fortney 8; Chambers 1.

J. H. Wetzel was unanimously elected Borough Engineer. The bonds of R. S. Brouse, Overseer of the Poor, for \$3,000, and Benjamin Williams, High Constable, for \$300 were offered for approval. They were referred to the Finance committee for investigation and approved. Council decided to notify Mrs. A. M. Mott that it was contrary to the borough ordinance to build a stable on the street. Mr. Garrity spoke in favor of extended repairs to the water works. He offered the following resolutions:

- WHEREAS, The present condition of the Borough Water Works is such that, in time of floods, the pumps are necessarily prevented from working; and WHEREAS, It has been proved that, by changing the position of the present machinery, and with a new water wheel and pump, also a railroad siding to the works, the present annual expenses may be reduced almost one-quarter, therefore be it

Resolved, That a committee of five be appointed who shall have power to reconstruct the Borough Water Works and Pumping Station according to the general plans submitted to the council during the last year; provided, however, the cost of such reconstruction and improvement together shall not exceed six thousand (\$6,000) dollars. Mr. Garrity offered plans prepared by Architect Robert Cole for the inspection of council. The resolution was adopted, and President Reynolds appointed the following committee on repairs at Water Works, pursuant to the Garrity resolution: Messrs Garrity, Whittaker, Kirk, Kniesely and Derstine. Bills to the amount of \$471.50 were approved.

THREE GOOD JOKES.

The following are being told about town to the amusement of the public, showing how elections change men's dispositions and bring about peculiar results. For some time Dr. M. A. Kirk complained to our Street Commissioner of a bad gutter and crossing near his house

in the West ward. The Dr. is an ardent democrat and the boro council then was decidedly republican. Naturally his appeals made little impression on the Street Commissioner, who invariably had more important work elsewhere—near Gerbrick's mill or other councilmen's homes. To the surprise of everybody Dr. Kirk was elected to the town council at the recent election and that change made it democratic—endangered some fellow's future jobs. The result of the vote was known about midnight. The next morning when Dr. Kirk awoke he heard an unusual clatter, pulling up the blind he peeped out and there, sure as life, bright and early, was Street Commissioner Shaughnessy with six men making the much needed repairs for which the Dr. had so long begged in vain.

MORAL: If you want your street repaired get elected to council—Shaughnessy will do the rest. And again, George Mallory has been blacksmithing in Bellefonte these many years, and little if any is the work he has had repairing tools for Street Commissioners. He too was elected to the boro council recently, as a democrat from the South ward. It is said, the next day the Street Commissioner was seen wending his way to Mallory's shop with arms filled with dull picks, etc.

MORAL: It is a poor rule that don't work both ways, and Thomas knows the rule. The fact that council was likely to be 5 to 4, democratic, brought out a host of candidates for our good friend Thomas' job and for a time he was uneasy. Being a true blue, thoroughbred son of the Emerald Isle, he put his Irish wits to work and on Monday when the new council met, what do you think, Thomas again nailed his old job.

MORAL: It is a poor rule that don't work both ways, and Thomas knows the rule. The next one is on a lawyer. There always is a spirited rivalry for boro solicitor. The position was held by E. R. Chambers who scooped the job from Clem Dale. Monday the new council met and Chambers got a surprise when D. F. Fortney was selected instead. Some sinner called up Clem Dale and notified him by phone that he had again been elected boro solicitor, and was wanted immediately at council chamber where the body was in session. It is said that our friend Dale deserted numerous clients, dusted his duds and combed his whiskers, and spryly sallied forth to meet the august body that had thus honored him, ready to expound the fullness of the law in whatever aspect they might demand a legal disquisition. He soon stepped into their presence with a kindly knowing nod as if to say "Gentlemen, I am proud of the office awarded me and am at your service." A blank stare passed from face to face and then the barrister sat down. He looked at council and they stared at him embarrassingly as if to say "What is your business, Mr. Dale." After about a half hour patiently waiting Mr. Dale left and as he reached the bottom of the stairs the crowd jallied him over the fact that Col. D. F. Fortney had been elected boro solicitor and some one had set up this job.

MORAL: Telephone messages are not always reliable. The spongy Daily News, did not "arise like the phoenix from its ashes," but like Jonah from the belly of the whale, came from out of the flood after a three days' disappearance. May it never again "get into the swim."

A Hungarian employed of the American Lime and Stone Company dropped dead from heart trouble at Morrissett, the location of the company's operations near the Hastings farm on the Buffalo Run road. Several fittings passed through the town the past week. That reminds us, the 1st of April will soon be here when the tearing up begins and the chaps have to rush to bank to renew their notes and do a whole lot of other like business.

—Ex-Governor and Mrs. D. H. Hastings were among the flood detained Bellefonters at Tyrone last Friday and Saturday. On Saturday night the Governor chartered a special train and brought along a lot of belated travelers. —Landlord Simon King, of Coburn, was in town on Sunday and had much to say about their experience with the flood. They had to move goods out of their basements at the hotel, and in the stables stock and feed had to be taken to the upper floors. Several small bridges were carried away in that section.

—Wilbur Henney, Frank Ross and Harry Harper, all of Centre Hall, left here on Tuesday noon's train for Pittsburg, expecting to obtain employment in the Smoky City and remain there. These are energetic young men whom that town will miss. Mr. Henney has closed his blacksmith and buggy shop, hoping to get a favorable situation in Pittsburg.

—This Thursday evening another game of basket ball will be played at the Armory between the Bellefonte Academy team and the State College Preps. The admission will be 25 cents, which is not high for an evening's entertainment. We are assured that at this game the amateur pugilists of the town will be barred from making another exhibition of themselves. If any fighting is to be done let it be pulled off as a part of the programme and in full view of all the spectators.

BAKING POWDER Imparts that peculiar lightness, sweetness, and flavor noticed in the finest cake, short cake, biscuit, rolls, crusts, etc., which expert pastry cooks declare is unobtainable by the use of any other leavening agent. Pure, healthful, highest in strength. ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

Married at Milton.

Mrs. John G. Kurtz has announced the marriage of her daughter Carrie to Mr. Wirt Webb, on Wednesday, February 26th, at Milton, Pa. The bride is known to many of our readers as her father, at the time of the war, was a resident of this place and was then the publisher of a paper in our town, residing in the P. B. Stover property, on High street. From here the family went to Milton, Pa., and later to Washington, D. C., where Mr. Kurtz died several years ago; he was a brother of the senior editor of this paper. Mr. Webb, the groom, is a native of Alabama, but has a position in Washington that requires him to reside there at present. —Our Bilt Well shoes for \$2 50 are hand made. Yeager & Davis.
