European Leaders Outline Proposals Under Discussion.

NO WAR TAX TO BE LEVIED

Disarmament to Occur When First Batch of Boer Prisoners Is Sent Back to South Africa-Expense of Garrison to Be Borne By England.

The Hague, April 15 .- From those close in touch with the Boer leaders here it appears that the latest secret dispatches received from South Af rica outline the peace proposals now under discussion at Pretoria. They closely follow the summary given on Saturday last by the Evening News of Edinburgh, with the following additional details;

The Boers accept a British lord commissioner, with a Boer executive, both to be resident at Pretoria.

The country to be divided into districts, with British district officers and a Boer committee, chosen by pol ing by the burghers. The veto right to be reserved to the British government. The majority of the British officers must be conversant with the Dutch language.

Johannesburg to be retroceded to the British, with complete British civil organization.

A war indemnity of at least \$50. 000,000 to be distributed by mixed committees.

Disarmament to occur when the first batch of Boer prisoners is sent back to South Africa. No war tax to be levied.

Both languages to be recognized in the schools and courts and in official documents.

The expense of the garrisons in South Africa to be borne by Great Britain.

The present Boer leaders to be retained in office so far as possible. .

London, April 15 .- In a dispatch from Johannesburg, dated April 14. the correspondent of the Daily Mail says the leading Boer delegates conferred today with Lord Milner, the British high commissioner in South Africa, at Pretoria, and that Lord Kitchener was present at this conference. "I understand," says the correspondent, "that Lords Milner and Kitchener will jointly conduct the negotiations, and that Lord Milner will forward the Boer proposals to Mr. Chamberlain."

It is asserted that Mr. Chamberlain, the colonial secretary, received an important dispatch from Lord Milner last night. It is understood that this dispatch outlines the basis of negotiations favored by the Boers.

FIGHTING IN THE TRANSVAAL

Lord Kitchener Reports 200 Boers Killed, Wounded or Captured.

London, April 15 .- News of severe fighting in the Transvaal at the end of last week has been sent by Lord Kitchener, who reports that about 200 Boers were killed, wounded or captured. There were about 10 British casualties. The British also captured three guns and a considerable quantity of supplies. Commandant Potgieter was among the Boers killed.

The fighting commenced April 8, when the Inniskilling Fusileers attacked Molipspoort, covering the Boers' position, and by dusk had seized a hill eastward of the Poort, after considerable opposition, resulting in Colonel Murray being wounded and Lieutenant Lincoln being killed. Another officer and five men were wounded. Since then the operations continued daily. The most severe fighting occurred April 11, in the Western Transvaal. The Boers attacked Colonel Kekewich's force near Rooiwal, and fighting at close quarters ensued. The Boers were repulsed, leaving on the field 44 men killed, including Commandant Potgeiter, and 34 wounded. The British captured 20 unwounded prisoners.

The casualty list published last evening shows that the Eighth New Zealand Regiment lost 13 men killed and 15 men injured April 12 in a railroad accident near Machivie.
