General Grant's Expedition In Gunboats. Launches and Lighters Brought Insurgents to Coast-Three Thousand More May Surrender.

Manila, April 28.—General Frederick D. Grant's expedition, in the gunboats Baseo and Florida, several steam launches and native lighters, has ascended the Candara river, in the Island of Samar, and has brought the insurgent leader Guevarra and his entire command down to the coast. Guevarra's command consists of Rafael Sebastian. Abaki and 38 other officers, 189 men and 161 rifles.

Guevarra succeeded General Lucban to the command of the insurgent forces in Samar, when the latter was captured last February. He announced his intention to surrender last March Three hundred bolomen, 28 of them armed with rifles, surrendered on Sat-

urday at Sulat, also in Samar. Three thousand insurgents, with many rifles, are expected to arrive at Catbalogan, Samar, to surrender formally to the American authorities.

Captain L. W. V. Kennon, of the Sixth Infantry, reports from the Island of Negros the surrender of the ladrone leader Rufo, with 158 officers and men of his command, together with 12 guns, 140 bolos, seven spears and a few revolvers and daggers. Captain Kennon says this surrender means the opening up of the whole of the southern coast of the Island of Negros After Papa Isio, Rufo was the most important ladrone chief of the island. He promises to force Papa Islo and his few remaining followers to surrender.

At a farewell banquet here to the officers of the Ninth Infantry, Acting Civil Governor Luke E. Wright paid a glowing tribute to the military forces. He said the army, under circumstances of surprising difficulty, had paved the way for the work of the civil authorities, and that only a few cases of friction between the two branches of the government had occurred. He said that General Chaffee, whose opinion might at times have differed from those of the civil authorities, had been a most loyal supporter of civil rule.

Replying to Civil Governor Wright, General Chaffee said that the officers of the army knew that their duty to the country demanded their utmost efforts to sustain the civil authorities and to suppress the rebellion.

### POWDER MILL BLOWN UP

Five Employes of the Shenandoah Company Blown to Pieces.

Shenandoah, Pa., April 28.-By the explosion Saturday afternoon of the upper powder mill of the Shenandoah Powder Company, at Krebs Station, five employes were instantly killed and all the buildings of the plant were blown to pieces.

Those killed were: Irvin Wolf. Amos Yarnall, W. J. Lindermuth, Elmer Stauffer and John Ruppert.

It will probably never be known what caused the explosion, as all the men employed in the building where the explosion occurred were killed. Not a trace of any of the bodies has been found with the exception of that of Wolf, whose remains were picked up some distance from the scene of the explosion terribly mangled.

Oliver Mummey, who was employed in the charcoal house, said the first explosion occurred in that building and communicated to the magazine.

#### BEEF TRUST FACES DEFEAT

Lovernment Officials Secure Evidence

of Combination to Control Prices. Washington, April 29 .- With indica Insurgent General Guevarra and tions of a break in prices, evidence secured in Chicago of the existence of the beef trust and the announcement that bills to repeal the tariff tax on meats will be pushed in congress there is consolation for the housekeepers who have been oppressed by the recent advances in food.

That District Attorney Bethea, of Chicago, and former Judge W. A. Day will be able to conclusively prove the existence of the beef trust is the firm opinion of those familiar with the evidence which has been gathered under the direction of Attorney General Knox to substantiate their application for an injunction to restrain the monopoly from continuing the powerful combination that has made meats of all kinds a luxury.

That such a combination, the object of which has been to monopolize the beef trade, has been formed and is in actual operation will be shown by the authorities conclusively by cumulative evidence. It will be demonstrated in the cut rates given by the railroad companies to the beef trust, the existence of which was proved by the investigations of the inter-state commerce commission in March of last

It will be proved by the agreement known as the "credit agreement," under which any customer who is delinquent to any one of the trust houses is black listed and refused credit by all other members of the trust.

Attorney General Knox is in possession of a copy of the credit agree ment, showing that the trust houses in the sales of their products ac ed business block at Red Oak, Ia., entailpractically as a single concern. He ing a loss of \$250,000. has also a copy of the "cartage agreehouses agreed to make the customer

### PRIZE FIGHT IN A CHURCH

New Jersey House of Worship Turned Into a Beer Garden.

Hackensack, N. J., April 26 .- The arrest of Charles McDevitt, of Baltimore, and Joseph Bateman, of New York, two pugilists, by Prosecutor Koester, has brought to light the facts of the desecration of a Congregational church at Lyndhurst, near here. On April 14 a crowd of 150 sports from New York, Brooklyn, Newark and Jersey City congregated at Lyndhurst, broke into the Congregational church there, and converted the place of worship into a beer garden and prize fighting ring. The principals in the fight were McDevitt and Bateman. The go was for \$100 a side and a knockout. McDevitt quit in the fourth round.

The sacrilegious invasion of the church was discovered the next day, but the police kept the matter quiet until the arrests were made. Besides the fighters, the officials of the go were also placed under arrest. Yesterday the pugilists were held in \$1,000 bail each and the officials in \$500 each.

#### AN ATTACK ON ROOSEVELT It Is Treated With Indifference at the

White House. Washington, April 29.—The attack of Bishop Keiley, of Savannah, on closed yesterday afternoon. President Roosevelt in an address delivered there Saturday, created great interest among leading Catholic authorities here. Cardinal Martinelli is out of the city, but it is stated authoritatively that there is no likelihood of any action on the part of the Creek, W. Va., by the premature exchurch as a result of the bishop's utterances. This view is based on the fact that the bishop is an American citizen and has a right to give expression to his views so far as they are not derogatory to religion. He always has been an ardent southerner and often has expressed the most intense views regarding the cause for

Hazleton, Pa., April 28.-Michael Cherko was murdered about 100 feet from the Greek Catholic church at Freeland yesterday morning during the progress of the Greek Easter services. George Smith is under arrest, charged with having committed the crime. It is alleged that Smith, upon entering the church, failed to remove his hat, and when requested to do so by Cherko, one of the trustees, drew a black-jack and assaulted Cherko. The latter ran out the door, followed by Smith. Cherko had not gone far when Smith, drawing a revolver, shot him through the back, death being instantaneous. Friends of the dead man overpowered Smith and took him to the station house. The services came to an abrupt end amid great excite-
