CORONATION IN AUGUST

It is Announced That King Edward Will be Crowned Next Month.

CEREMONY TO BE CURTAILED

His Majesty's Recovery Has Been So Rapid and Satisfactory That It Was Decided to Crown Him Before Au-

London, July 8 .- King Edward will be crowned between August 11 and August 15. His recovery has been so rapid and satisfactory that the above decision was arrived at yesterday. No official announcement of the fact has yet been made. The pageant through the streets and the ceremony at Westminster Abbey will be much curtailed from the original plan. Their majesties will drive from Buckingham Palace to the Abbey through the Mail to Whitehall and thence to the Abbey, the same route as taken at the opening of parliament.

King Edward passed a favorable day yesterday, and the verbal report given out last night was that his majesty is still doing well. The use by the Prince of Wales of the word "recovery" when he referred to the king's progress at the inauguration of the Raphael Nurses' Home of Guy's Hospital yesterday afternoon is regarded in many quarters as indicating that the royal family considers the king's case most hopefully

JOSEPH CHAMBERLAIN HURT

Colonial Secretary's Head Crashed

Through Glass In Cab. London, July 8 .- The colonial secretary, Joseph Chamberlain, was severely cut on the head yesterday afternoon as the result of a cab accident in Whitehall. The secretary's hansom was passing the Canadian arch, when the horse slipped. Mr. Chamberlain was hurled forward with great violence. His head struck and shattered the glass front of the cab.

When extricated it was seen that Mr. Chamberlain's head was bleeding profusely. A policeman helped the secretary into a cab and accompanied him to a Charing Cross hospital. Just after the accident Mr. Chamberlain was asked if he felt faint. "No," he replied; "but I am losing a lot of blood."

Mr. Chamberlain was returning from his review of the West African Volunteers. Large crowds viewed the manoeuvres, despite the heat. Though Mr. Chahberlain's wounds bled a good deal, they were not serious.

The conference of the colonial premiers, which was to have been held today to discuss the question of imperial defense has been postponed in consequence of the accident to Mr. Cham-

CLOUDBURST IN NEW YORK Bridges and Houses Swept Away In Western Part of State. Buffalo, N. Y., July 7.—A terrific

cloudburst and wind storm swept over

Western New York at an early hour yesterday. Rivers and creeks ruse rapidly, overflowing their banks and sweeping away houses and barns and live stock. The loss will reach into hundreds of thousands of dollars. A dispatch from Arcade says the flood at that place claimed one victim and did \$100,000 damage to property. Minnie Loper, who kept a bakery on the bank of the creek, was drowned early in the day. The downpour and the cloudburst above the village turned the creek into a torrent. The water rose very rapidly and was several feet deep on the lowlands before any one realized the danger. Miss Loper's bakeshop was swept out into the stream, but it had not gone far before it fell apart. Miss Loper's body

was recovered. At Yorkshire, two miles below Arcade, the approaches to the bridge were washed away, but the bridge is standing. Miles of roadway are so gullied or buried in debris that they will have to be rebuilt. At Sandusky, a few miles from Arcade, it is reported that two houses were washed away. From everywhere come reports of live stock killed. At Portage the river is now a torrent a mile wide. Yesterday morning every one living in the lower part of the town had to abandon their homes. The farms are laid waste and no field crops can be saved. Houses and barns were swept down the river.

CHICAGO FREIGHT MEN STRIKE Warehouses of Twenty-four Railroads

Practically Tied Up. Chicago, July 8 .- A strike of over 9,000 freight handlers in Chicago was called yesterday, and every freight house of the 24 railroads concerned is all but tied up. Business men tear that the strike will be the most serious which has affected their interests in years. The strike was called by a committee appointed at a meeting of 1,000 freight handlers, held Sunday night, The committee was instructed to call a strike within 48 hours unless the railroads should meet the demands of the men at once for an increase in wages, extra pay for over time and holidays and recognition of the union.

Hopes of a speedy settlement of the strike of the freight handlers' union are entertained by officials of the union and members of the state board of arbitration. The officials of the union last night told Chairman Job, of the willing to permit employes of the different companies to meet officials of the order. same to discuss the wage scale, providing a joint conference should be held, at which officials of the union would be permitted to act as advisers to the men. As the railway officials have favored this step from the beginning of the controversy, there is little doubt that the strike can be settled satisfactorily to both sides if the conference shall be arranged
