Unionville.

Misses Mary and Margaret Cooney, of East High street, Bellefonte, spent a week as the guests of Margarite McDonnell at the home of the latter's parents.

Miss Gussie Smith, of Bellefonte, is enjoying herself at the home of her uncle J. C. Smith.

Mrs. Mary Fisher Holmes and two children, of Maryland, will spend several weeks at the home of her father, Wm. F. Fisher.

District Attorney N. B. Spangler and wife, of Bellefonte, came up a few days ago on a pleasure jaunt and to recuperate their wasted energies in the exhilarating atmosphere of our city, the guests of Mr. and Thomas Fisher.

Mrs. Rebecca Fisher, who has been ill for several weeks, is still unable to be out of bed, but, we are glad to learn that she is convalescing.

The annual gathering of the many neighbors and friends of the Cambridges occurred on last Friday at the Cambridge homestead, on Muncy mountain. This picnic was especially in honor of Mr. and Mrs. Henry Earon, whose popularity was evidenced by the large number of friends being present.

Austin Hoover, wife and several children, of West Elizabeth, near Pittsburg, came down from that busy, bustling place and will spend a week or so with friends at this place and vicinity.

There are two nice young store clerks in town and the initials of each one's christian name is Charley. Now there is nothing strange about this, but it is singular that each should be so intensely partial to the same color, Brown. This is a riddle and we'll let their friends unravel it as best they can.

Our good friend Joe Barton, who has been ill for several weeks, is able to be in the store again.

Our Granger friend, S. K. Emerick, brought to A. J. Griest's store a sample lot of a nameless apple, which, for beauty, uniformity of size and flavor is not excelled by any of the well known varieties. It is shaped like the Ben-Davis, above the average in size, greenish in color, with a delicate red cheek on one side, and is almost curculio proof, just tart enough to make it high grade for table use as well as an excellent eating apple.

Misses Gussie Smith, of Bellefonte, and Pauline Smith, of this place, were kidnapped on last Friday by Joe Runkle, of Bellefonte; but he was captured on top of Muncy mountain and didn't get farther than the Cambridge picnic. On promising to return the young ladies to their home in the evening he was released on his own recognisance.

Our base ball team which was challenged to measure bats with Julian team at the latter place on last Saturday, met the enemy at the time and place specified in the challenge and literally "swept the floor" with them. The score stood 5 to 0 in favor of Unionville team; not one of the Julian team got beyond second base.

Our team consisted of: Harry Musser, C.; Will Krepis, P.; A. B. VanValin, 1 B.; Mont Musser, 2 B.; Raymond Comley, 3 B.; Toner Calhoun, S. S. Chapie Underwood, R. F.; Blair Holtzworth, C. F.; Raymond VanValin, L. F.; Will Krepis, not being able to fill his post, Gordon Williams, of Martha, was accepted as substitute for him who pitched for our team. Harry Musser struck a sky scraper and made third base. Mont Musser legged it to second base on "ground strike." Arthey Van also made second base on a high strike. A fine catch was made by Calhoun on short stop. Also in centre field by Blair Holtzworth. Our boys came home with a broad grin covering their entire "phiz" and cheek full of conceit, wouldn't be surprised if they challenge State College team. They speak in highest terms of the gentlemanly treatment they received at the hands of the Julianers. DOMINO.

Spring Mills.

No signs yet for a bridge over Sinking creek, the main thoroughfare to the railroad station and the proper route to carry the U. S. mail. Has the State administration gone mad over the "me and cousin Samuel" ticket, and all necessary public business be allowed to go to the deuce 'til after the election? It seems so.

Mr. Ruhl has just added two new buggies to his livery. This he has been forced to do owing to increasing business. Mr. Ruhl's livery is now very complete, and teams can be furnished at short notice.

Attacks of bilious colic may be prevented in the same way. For sale by Green's Pharmacy.

The next thing I noticed was that Nellie Herman was leaving town. In the afternoon Francis Woodring gave a picnic which was well attended. When the afternoon train pulled in I noticed Mr. Coble came to spend a few days.

Evey was going away; and I noticed John Lucas's goods on the car, he is moving to Cambria county. Later I heard quite a commotion on Main street in front of J. I. Ross' store; a horse tried to break loose but he found the rope too strong, and threw himself breaking one of the shafts and the harness.

Saturday, Aug. 9: Miss Seigner took her departure and Helen Dreese returned from Adamsburg. Rev. Hepler, Mrs. Murray, J. W. Getz, and many others, were out for blackberries.

Sunday, Aug. 10: Miss Johnsonbaugh, of State College, was in our town Sunday; also noticed Hiram Thompson and daughter Sophia in town.

Monday, Aug. 11: I noticed Henry Long leaving town Monday; John Lucas went to Cambria county to work. In the afternoon as I took a walk I met little Jack Dale and sister of Bellefonte; as I traveled on I noticed Elmer Evey in town again and also John Wian, of Williamsport, he is visiting Jacob Bottorf. I went home and got my supper and then heard that Sam Weaver's cow was not expected to live; as time was flying I thought I would go to band meeting in the evening and there I heard that the band will hold a festival Aug. 16; the State College band will furnish the music.
