During the picnic there will be sold at auction unique quilt and crazy cushion to the highest bidder. The quilt was pieced by the ladies and each piece has a person's name worked in the patch. There are over 400 names on the quilt.

Last week some evil disposed person, or persons, damaged property of Daniel Paul, a farmer of the east end of Nittany Valley, to a considerable extent. About two acres of green oats were cut down with a scythe in the centre of a large field, and a vacant house on the farm was entered and ninety panes of glass in nection with the Millheim meat market the windows were broken. The window sash were broken, paper torn from the walls and a door was broken from its hinges. Mr. Paul has no clue to the per-

> George Kister, the largest peach grower in Penns valley, informs us that he will have a very small crop of peaches this season, owing to the freeze last winter. We are also informed that in the large peach orchard put out several years ago by D. J. Meyer, near Linden Hall, about one half the trees are about dead and the balance show up unhealthy. From other peach orchards in the county we also have unfavorable reports, some as to poor crop this year, others that the trees show signs of disease.

Col. Coburn can take pride in the fact that his farm in Gregg township has been occupied for 45 years, uninterruptedly, by the Bitner family to the utmost satisfaction of tenant and landlord. This speaks well and is an educational point er for owners of farms and tenants, what it amounts to to do what is right, mutually. With many of the farms under the tenant system there is an absence of that interest by the parties in interest which proves unprofitable and often annoying. Any farm that has a changing of tenant continually, from whatever fault or neglect, must suffer, and the owner as well as shifting tenant suffer. Herein may be found the cause for many dilapidated farms in this county and elsewhere. Why not have these two interests come to a closer understanding and reach that
