Rich Find Among Records.

While examining the county survey records, William C. Stiffler discovered there was 379 acres of unseated land in Logan township, near Altoona, valued at \$150,000. Stiffer hurried to Harrisburg, where he entered claim for the land. The payment of a small sum to the State Treasury gave him title to the tract. There are two veins of coal underlying the land, the richest being 474

feet thick. State records show that in 1793 David Lewis took out a patent on the section. Lewis and his heirs disappeared, and ownership of the land passed to the State by reason of non-payment of taxes.
