Alexander returned from Philadelphia where she visited her daughter Mrs. Pat. Loughry. Mark Hall and wife, of Mt. Here's a pretty good one on "Dode" Harper: Some time ago he brought a couple dozen eggs to the store and wanted to exchange them for capon eggs. He said he heard so much about them, that they grew to be so large he thought he would raise some. (Laughter.)

Two new voters came to town last Saturday. The democratic one has taken up his abode with Perry Moran and the Prohibitionist with the Rev. Muman. They will have to stay 21 years before they get a vote.

A little girl in our town recently did something that was wrong. Her papa said, "now Margurite, I shall have to whip you for that" and went to a tree to get a switch. The little girl looked at him with blanched face, then ran up to him and said, "I've had papa, give me a sweet kiss, I have not had one for two or three days." She got the kiss and not the promised whipping. Who was she?

Big day for Unionville coming, Charley. The subscribers of the Centre Democrat expect to give an entertainment in the near future, in which all but delinquent subscribers are expected to participate. It will be held in the open air, and a large stage will be erected in front of Stover's hotel for the entertainment. Subscribers from every portion of the county are expected. The following program is suggested: chairman and general manager, Wm. Keatley; vice president H. Huey, of Fillmore, and A. W. Reese, of Port Matilda; secretary, E. J. Williams of Hastings; reading clerk, Wm. Hall. Preliminary remarks by the chairman; address of welcome, T. W. Fisher; music—"Cat Came Back," male quartette; response to address of welcome by Fred Musser, of Bellefonte. Hoover, of West Elizabeth; song and dance by Joe Gill; debate, Resolved, "That a law be enacted by our Legislature making it a capital offense to subscribe for a newspaper and not pay for it." Runkle, of Bellefonte; "How many electric light plants should be set on an acre of ground," Gottlieb Haag; music by the hat band, after which there will be a mill race, and a rope walk. The candidates from each side of the fence will be present and will raise a large amount of money for pecuniary purposes. We suggest that each candidate place his contribution in a sealed envelope. There will be no fakirs allowed. The Centre Democrat will be on tap all day. Any person caught reading the C. D. during the entertainment will be entitled to one year's subscription at \$1 per year. Balance of program will be given "after the war is over."

On Saturday evening of last week quite a large surprise party was gotten up at the residence of H. N. Feidler, the occasion being the anniversary of Mr. Feidler's birthday. The party was very quietly arranged by the family, and proved entirely successful by being kept a profound secret during its preparation. In the meantime all the guests arrived and upon entering, so unexpectedly, such an assemblage of relatives and friends who overwhelmed him with congratulations and merriments, he was almost stricken speechless; after recovering himself he, with his usual hospitality, invited his guests into his parlor. Mirth having subsided, they all were furnished with ice cream, cake, etc.; after supper, mirth and hilarity ruled the evening. As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. TRIFLING WITH YOUR HEALTH

Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored, rosy or stringy, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartanburg, S. C., writes: "For years I suffered with Kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Physicians prescribed for me and I took different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me in about two weeks."

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.

Dr. David Kennedy's Worm Syrup, most effective medicine of the kind known. See Druggists.

Prosserville.

Mr. and Mrs. McCloskey returned home from Romola where they were called on account of the illness of their grand-daughter who is much improved.

Fern Hugh wore a smile all over his face; he says it's a boy. James Johnson had a very severe attack of cramp, but is better.

The lively stable on Main street, run by D. W. McCloskey & Solt, has changed hands. It now runs by Jakey McCloskey. Our scribe took a drive to Yarnell and found time to take lunch; places of business were closed, everything looked clean. I would advise young men looking for a "better half" to visit Yarnell.

I passed down Main street to the bridge, there I found the proprietor of the fish pond busy. He told me his fish pond was nearly dried up; he was driving them down to the creek to water them. He had a few suckers in a bucket which were too small to follow. This fish story put me in mind of the five foot rattler that was killed near that place. I inquired for the Yarnell scribe and was politely informed they lived on Water street. I called around to the office and the teller informed me that the scribe had started out with a wheelbarrow to gather items for the Centre Democrat. I would say to the Yarnell scribe when you pass through our village don't tarry so long in Bellefonte. It is nothing strange to see people, after staying in town five or six hours, then get out in the hot sun and imagine the Nittany Furnace is an old man smoking or our little town is not larger than a black cow.
