IF YOU ARE SICK

And need medicine for your Kidneys, Liver, Bladder or Blood, get the Best.

Dr. David Kennedy's Favorite Remedy.

If you are suffering from kidney or bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your kidneys

or bladder are diseased." Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy, milky appearance, your kidneys are sick.
Dr. David Kennedy's Favorite Remedy
will surely relieve and cure the most distressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for kidney, liver, bladder and blood diseases, rheumatism, dyspep-

sia and chronic constipation. Walter D. Miller, of Delhi, N. Y.

"I suffered for years with kidney trouble and severe pains in my back, at times it was so bad I could hardly walk. My stomach also troubled me and I frequently had twinges of rheu-matism. I suffered a great deal and received no benefit until I began the use of Dr. David Kennedy's Favorite Remedy. After taking it a short while it cured me."

Smullton.

Adam Winters, of Piedler, spent Sunday pleasantly with friends here. Geo H. Smull and wife left for New

York a few days ago. At last the government has decided to not change the name of this post office, to the satisfaction of the mass of our citizens, but contrary to a few who through prejudice have sought for its overthrow, "for that was the main ob-ject" and who had no other cause to plead than the name it bore .. It was an injustice to Mr. Smull for he has done a good and long hoped for work and a work that should be looked on by appreciation by any man of loval citizen-

ship. Brook Gap talk has all subsided. John Mallory and F. D. Stover have quite an apple crop this year. Mr. Mallory ships his in barrels.

Levi Strayer is on the sick list. It has been rumored by some that the correspondent is stuffed with items for publication by certain individuals of this place; we wish to say to such concerned, that such a rumor is not correct, as we deem ourselves able to compose our own locals, and need no help or dictation. We wish also to say that what we say we are not afraid to own up to, nor do we try to get around the bush, (like we have heard some do) pretending innocency, but we have the audacity to face the bul-

Scott's Emulsion is the right treatment for soft bones in children. Littledoses everyday give the stiffness and shape that healthy bones should have. Bow legs become straighter,

loose joints grow stronger and firmness comes to the soft heads. Wrong food caused the trouble. Right food will cure it.
