He wanted to know how far it was to the "Zoo."

On last Wednesday, at 11 o'clock, a very pretty wedding was celebrated at the home of the bride's parents, Mr. and Mrs. Andrew Thompson. It was the occasion of the marriage of their only daughter, Evaline, to John B. Brugger. IF YOU HAVE PAIN IN YOUR BACK

Do Not Be Deceived. You have Kidney Trouble, and You Do Not Need a Physician to Tell You So.

Pain in the back is an almost infallible sign of kidney disease; a surer sign is the condition of your urine. If you have a pain in the back, then look to the condition of your urine. It is easily done. Take a glass or tumbler and fill it with urine; after it has stood 24 hours, if it has a sediment, if it is milky or cloudy. if it is pale or discolored, stringy or ropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal. Dr. David Kennedy's Faverite Remedy is the one medicine that really cures all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, and it will take you but a short trial to convince yourself of its wonderful curative power. G. F. Sammer of No. 409 Tioga street,

Syracuse, N. Y., in a recent letter says: "I was afflicted for years with severe pains in my back and kidneys. I tried many doctors and many medicines, but got no relief. I bought a bottle of Dr. David Kennedy's Favorite Remedy and it has

entirely cured me." It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle-enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.
