Barnet Eisenbuth, from East End, paid a visit to his brother scribe at West End.

James T. Eisenbuth, from Stonevalley, made his appearance on Saturday and will stay to vote the straight ticket.

I still see in some items the age of old families. I believe that the Eisenbuth's will take the prize, my grandfather was 79 years old; he died in Mahanoy. Jacob his oldest son died at the same place, age 89 years; my father died in Highvalley, age 87 years; William died at Rankelton, age 99 years; John died in Pottsville, age 83 years. As to Geo. I cannot say, but he was in his 80th year. Barnet Eisenbuth, the father of the above mentioned family, was married to Catharine Salor, that was her maiden name, in the city of Philadelphia—she was 89 years, 11 months and 9 days, died in Mahanoy; she slipped in a coal hole which caused her death.

J. Greist, and he was the clerk. Being hungry and not traveling much, I bought some cakes; well then I wanted some chocolate candy; all the candy he had was three sourballs and an all day sucker, so I traveled out of that. I got a few shells at the grocery store of Mr. Seerk; they had peanuts in them; well, I must tell you what, I felt good when I got hold of George's hand. TRY THIS TEST.

And see if your Kidneys are Diseased.

A very simple way to determine whether your kidneys or bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy, rosy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as pain in back, inability to hold urine, a burning scalding pain in passing it, frequent desire to urinate, especially at night, and the staining of linen by your urine.

The Rev. Aaron Coons, D.D., pastor of the M. E. Church of Rhinecliff, N.Y., says:

"I most sincerely believe that Dr. David Kennedy's Favorite Remedy is the best kidney, liver and blood medicine made, and urgently recommend it, for I know by experience it will do all that is claimed for it."

"Favorite Remedy" is a vegetable help to the stomach and bowels in performing their duties properly. It overcomes and permanently cures dyspepsia, indigestion, biliousness and rheumatism. It is absolutely harmless and purely vegetable. It contains no narcotics or minerals in any form, no dangerous stimulants, no mercury or poisons, and is the only kidney medicine that does not constipate.

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose.

Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Randolph, N.Y.
