Here's a "right smart" joke on Dr. Irwin: He has an exceptionally bright boy of about 6 years of age. Boyd is his name. Boyd's uncle made him a present of an air gun. One day Master Boyd was shooting at a mark until he exhausted his supply of B. B. shot. He found a box of pills in his father's laboratory and discovered that they just fit his gun, so he set up a card, which his father used for testing eyes, for a target and perforated it full of holes with the pills fired from his gun; every pill went through the card. The dimples in Boyd's cheeks are deeper now, as he smiles when you ask him about it and the Dr. takes it laughingly as a good joke.

The many friends of T. E. Griest will be glad to learn that he is improving slowly but surely. On Christmas his affectionate wife and daughter Marie, "set" the table for dinner in his room and as the many good things including a savory roast turkey were carried up and arranged on the table he almost forgot that he was sick, so glad was he to once more sit with his family at the table and, could you believe it? he actually carved that turkey, although he could not or dared not partake of it; it was, nevertheless, a happy day for "Bud."

Romola.

This week gives time to write some items from our town, as I had the pleasure of helping to eat two large turkeys that were prepared for one of our bright young men, being in the form of Clayton Poorman, who was married on Christmas to Miss Mabel Beightol, of near Jacksonville, the bride being a daughter of Thomas Beightol. As the noon hour had come, the people began to arrive from all around, until the house was filled to its utmost capacity, some fifty guests; after they had all feasted the couples were taken to an upper room where they received some very valuable gifts. The father of the groom knows how to make people enjoy themselves very nicely. Here are some who attended the wedding: Jos. Holter and best girl, of Milesburg; Harry Crape, of Howard, and his best friend; H. C. Poorman and family, of Beech Creek; J. E. Welsh, of Bianchard; R. A. Poorman, of Hayes, Pa. and his family; Thomas Beightol, of Jacksonville and family; Edward Aley, of the same place; also Mrs. Mitchell Weaver, of Romola; Henry Probst and wife, of Lock Haven. The young couple have our best wishes through life.

Would Not Insure Him.

Insurance Companies would not insure the Rev. J. W. Yeisley because he had Kidney Trouble.

Mr. Yeisley was much discouraged till a friend recommended Dr. David Kennedy's Favorite Remedy and it cured him.

Mr. Yeisley writes:

"My kidneys and liver were in bad condition and I was anxious for relief. I had tried many remedies without success. I bought a bottle of 'Favorite Remedy,' which effectively proved its merit. The best proof that it has completely cured me is my recent acceptance by four different life insurance companies."

The Rev. Mr. Yeisley is the pastor of the First Reformed Church of St. Paris, Ohio, and is as well the editor of the St. Paris Dispatch.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, as well as the weaknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night and puts an end to that scalding pain when passing urine.

PROFIT

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, a flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
