# Fine Overcoats and Suits

FOR MEN.

Stylish Clothing That Will Hold Its Shape Because Hand-Tailored.

Yesterday the writer saw a most critical examination of Overcoat. They were tested on men of all shapes to make sure that the balance or hang of the coat was right. Probably not more than 5 per cent. of clothing men are competent to make such an examination and to determine positively what clothing is right and likely to stay right through

Our clothing fills every requirement. Our expert examination and practical criticism prevent poor clothing getting into our stock. We are jealous of the excellence of every garment that we sell. We give to every customer clothing that will stand any fair test, no matter how severe.

And They Came for Them Yesterday at Our Spring Opening. Right Hat For Right Man.

Nothing makes an old hat look rustier than a new overcoat or a new suit, and bright skies. Yesterday a great many men came for their new Easter hats and found such a variety that in a few minutes they were suited. Don't let anybody tell you, that a certain style is the thing this spring, for all styles are good, and it you like a certain hat, and your family likes it, it is surely in style.
