DON'T DELAY. It is "Putting Off" Till Some Other Day that Causes so Many Sudden Deaths.

If its for the kidneys, liver, bladder or blood, rheumatism, dyspepsia, chronic constipation, or the weaknesses peculiar to women, the most efficient medicine known to the medical profession is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a milky, cloudy appearance, if it is rosy or stringy, pale or discolored, you do not need a physician to tell you that your kidneys and bladder are badly affected.

The Rev. Theodore Hunter, pastor of the Presbyterian Church, Greensburg, Ky., writes us the following:

"It gives me much pleasure to state that I have received great benefit from the use of Dr. David Kennedy's Favorite Remedy. Some time ago I had a severe attack of kidney trouble, but a few bottles of 'Favorite Remedy' have entirely removed the malady."

"Favorite Remedy" speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine.

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.

Dr. David Kennedy's Salt Elixer Cures Old Sores, Skin and Scrofulous Diseases. See.

Baptist Church for Monument. Through the effort of Rev. G. S. West, pastor of the Baptist church of Eggleville, sufficient money has been raised or pledged to make the building of a church at Monument a certainty. The Harbison Walker Refractory company will lease the ground for 25 or 30 years, and will give dollar for dollar for the amount raised by subscription.

WEEDS Consumption is a human weed flourishing best in weak lungs. Like other weeds it's easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

SCOTT & BOWNE, Chemists, 409 Pearl St., N. Y. See and try; all druggists.
