Spring Mills.

A day or two since I made a special visit to the extensive furniture establishment of John Smith & Bro. of our village, to ascertain what was new and novel in the furniture line. Mr. John Smith kindly escorted me through the several departments, and frequently called my attention to many special bargains in some very elegant parlor and chamber suits.

The first floor is rich with furniture of every description. Here are magnificent sideboards and bureaus, elegantly carved in golden oak, walnut and birdseye, maple, with beveled french mirror; on this floor too, are parlor and chamber suits, office desks, and hall stands. An elegant 8 piece chamber suit of Flemish oak, highly finished for \$18.75 struck me as being absurdly low in price. The carpet department is also in this floor, Ingrain and Brussels carpets of beautiful colorings, oil cloth and Japanese matting are here in a wonderful profusion of styles.

The second floor is for the display of rockers, arm chairs, couches, etc. I must confess that I was rather surprised at the immense stock.

The burnt district, phoenix like, is rapidly rising from their own ashes. C. A. Krape has his building up, and will soon be ready for plastering. Wm Pealer has the foundation for his store and dwelling about finished, and will have the frame work up during the week; C. J. Finkle is having the rubbish removed from his property, but will not rebuild until late in the summer.

Mr. Confer was considerably hurt about the head and face, while Mr. Gentzel sustained little or no injury. The buggy was more or less damaged.

Beware of Ointments for Catarrh that contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75¢ per bottle. Hall's Family Pills are the best.

High Valley.

News came on Saturday that Charley Eisenhuth, who left here two or three weeks ago, to work at Somerset, had died, of pneumonia—Charley was the youngest son of Henry Eisenhuth, who lives at east end of High valley, Charley was highly esteemed by all who knew him, aged 19 years as near as I can give his age. But God gives and takes. There is no arrangement for the funeral services, whether at Coburn or at where he died in Somerset. Wm. Eisenhuth and brother Howard arrived at Coburn on the afternoon train; they are brothers of the deceased, they said he was only sick a few days; the boarding house is closed up which Mrs. Agness Billmeyer is superintending.

It seems that horse flesh is high; the scribe has a good reason to believe it; on Saturday a blind horse was sold at Musser's sale at Millheim, for \$35 and he is now stabled east of High valley.

James T. Eisenhuth and his best are visiting his parent's home.

On Saturday High valley was to Millheim in full force to hear "O yes, O yes" at Billy Musser's sale.

Fine weather last week; some had a belief that summer was here, but Sunday a change—the ground was baked and a sign for snow.

On Monday moving will commence, then the valley will lose a good neighbor and democrat, besides. I often wonder why the valley is so strong Democratic; not full of late the valley is clear of rubbish.

The High valley scribe is always ready to suffer a defeat, but it don't seem to be with all the scribes; when I challenge a man for a game and am beaten, I don't upset the play stand; I do like the old saying is, "when the first don't succeed try again." I have played many games and was beaten; but it is not so with every one; some want to be Jack-in-the-pot, and think no one can dance juber but they; I once heard an old farmer say a horse that is raised on poor land will outwork one that is raised on good land, and by all appearance it must be correct.

THE PRESIDENT

Of the City Council, Wilkes-barre, Pa., Cured of Rheumatism.

Col. Wm. J. Harvey, a president of Wilkesbarre's city council, who will long be remembered for his great work for the city, was once a mere physical wreck, torn in every muscle and nerve from the frightful pains caused by rheumatism. He consulted the best physicians, went abroad, took mud baths, and almost every known treatment for the disease.

A friend had a very similar experience and Dr. David Kennedy's Favorite Remedy had cured him, so he recommended this great kidney medicine to Col. Harvey and he is to-day a well man, hale and hearty. He writes straight to the point: DR. DAVID KENNEDY.

Dear Sir:—This is to certify that I was permanently cured of rheumatism by the use of Dr. David Kennedy's Favorite Remedy.

WM. J. HARVEY.

Rheumatism is but another name for uric acid poisoning which is caused primarily by diseased kidneys. Cure your kidneys and the rheumatism disappears. For all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, as well as sicknesses peculiar to women, Dr. David Kennedy's Favorite Remedy is unquestionably the greatest medicine known to the medical profession.

It is for sale by all druggists in the New 60 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y. Dr. David Kennedy's Rose Jelly is also useful for Catarrh, Hay Fever and Cold in Head. 60c.

Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
