Beware of Olatments for Catarrh that contain

Mercury,

As mercury will surely destroy the sense o smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F.J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F.t. Cheney & Co. Testimonials free.

The King's highway, over Sinking Creek to the R. R. station, is again closed to travel. Mr. Bilger contractor, in removing the abut ments to set them back several feet to meet the requirements of the new \$5000 bridge, raised the present one a foot or two higher, ordinarily the creek here can be very easily forded. The new bridge will be over the stream in about, well say the latter part of the oming summer. Of course at present we have a foot bridge over the creek.

The time is here for garden making, but the ground is still too wet and cold in most locali ties to work it satisfactorily. The rural delivery system goes into effect

here on Friday next, 1st proximo. What's the matter with our fishermen, have they forgotten entirely how to use the book and line? Very few seem to have met with any considerable success, even the usual 'yarns' are failing. Ancient fishermen con tended that to be successful in fishing, a "charm" was necessary; you must first "say something" and then throw in your line, our modern fishermen had better take a note of

High Valley.

By all appearance the fruit is cooked in the valley.

The grain fields don't look as good as they did a week ago, and grass is coming slewly. Still no fish story has come in : so we are not able to tell any lies.

George Spiglemyer called on the scribe on Saturday and said he was getting the Demo crat and wants all the news that the seribe car pump out of the gas well, as he is a republican but can't help but read the news. On Saturday morning when I crossed the

bridge at Shrub Hill. I was surprised to meet James Treaster, of Westmoreland county, ac companied by his lady friend and two daughters. James is well known in our valley as a gentleman and a good neighbor. To love your neighbor as yourself is a great

thing and few do so; they sooner see a thing
