THE RACKET

Crider's Exchange.

We have bought the stock of G. R. Spigelmyer (except China in room No. 7) and will continue the business under name of Racket Store Co.

This store has long been famous for low prices and fair treatment of customers. We hope to increase the business along these lines and will continue to conduct it on the spot cash system which has been the foundation stone of its success.

To inaugurate our new management we propose to offer the people of Centre county an unusual opportunity to buy standard goods at greatly reduced prices.

Watch the papers next week for announcement.

COMMUNICATION FROM SIDNEY KRUMRINE.
Offers to Refund the Money if Hyomei Does Not Cure Cataract.

TO THE EDITOR OF THE CENTRE DEMOCRAT:

I have been asked recently if the advertisements printed in your columns regarding Hyomei were true, where I offer to refund the money if this treatment does not cure cataract. I wish you would print this letter in as conspicuous a place as possible in your paper, saying that we absolutely agree to refund the money to any purchaser of a Hyomei outfit, if it does not cure cataract.

This outfit consists of an inhaler of a convenient size to be carried in the vest pocket so that the user can breathe Hyomei air four or five times daily. With this is included a medicine dropper and a bottle of Hyomei. The outfit sells for \$1.00 and is a most economical treatment, for the inhaler lasts a lifetime and there is enough Hyomei for more than a month's use, while extra bottles can be obtained for 50c.

I trust this communication will settle any doubts that may have arisen as to my willingness to refund the money for a Hyomei outfit, in case the purchaser is not satisfied.

I wish to say emphatically that any guarantee on Hyomei holds good, and I will refund the money to any dissatisfied purchaser who simply states that he has used the treatment according to directions and not been helped.

Respectfully yours,
SIDNEY KRUMRINE.

It takes years to build up a reputation that may be shattered in a minute.

One of the prettiest weddings took place at the home of the bride's parents, Mr. and Mrs. Henry Armagast, near Fillmore on last Tuesday. It was the marriage of their only daughter Sara to Roy Miles, of Pitcairn. The ceremony was performed by Rev. Lathrop, of the Baptist church of Milesburg. Clayton Stover was best man and Marion Rumberger was maid of honor, and as the quartet filed into the presence of the officiating clergyman and as they stood there 'mid breathless silence while the solemn words were pronounced that made the twain one. After they were pronounced "man and wife" a reception was held, after which all gathered around the tables laden with everything that the expert caterer could provide to tempt the fastidious appetite. 65 guests were present; at 2:10 the bride and groom boarded the train at Linn station for Bellefonte and at 4:44 they left on their wedding tour to Philadelphia and Atlantic City, and on their return will be "at home" in Pitcairn where the groom has provided a cage, already furnished, for his bird, where he holds a lucrative position in the transfer office of the P. R. R. Co. At the Bellefonte station, they were literally deluged with rice. The presents she received were numerous and valuable. Joe Brugger remembered the railroad men who brought us to the county capital by presenting them with a large box full of the wedding cake and if Jerry Nolan or Ross Parker get sick by taking an over dose, it won't be our fault.
