Our base ball nine went to Martha on last Saturday to "do" the Stormstown team and got "doed" themselves to the tune of 12 to 4 in favor of Stormstown; a more crestfallen set of fellows you never saw. They bought a bottle of soothing syrup and each took a dose just to tone them down a little, but they are still very sick boys. Just to think! a little obscure village of four houses and only three chimneys, and containing 17 inhabitants, that can produce a team that can "down" our boys, who boasted what a walk-over they would have! Why! Hile Griffen and Cy Hunter will blow about this for a year.

We sell Sorosis Petticoats

### Petticoat Sale

There's a great big factory in a very small town up in Michigan that makes petticoats really praiseworthy. The family name is Sorosis. The Sorosis Skirtmakers started business with right ideas. Something or other they put into the Sorosis made it quickly over-top the 1,000 other petticoats like a giant among pygmies. Maybe 'twas the cut, every one from a living model, with yoke and full flaring flounce. Or the material of mercerized sateen with the lustrous crispness of richest silk. Perhaps the finish, strapped seams inside and out, delightful fascias in trimming after imported patterns.

### This is Sorosis week with us

Come and admire while the stock is fresh and full. Next week it won't be nearly so full. Not when prices like these rule.
