500 DEAD IN CLOUDBURST

Heppner, Ore., Almost Destroyed by Rushing Water.

Almost the Entire Residence Portion of the Town Was Destroyed-People Dashed to Death Against Rocky

Portland, Ore., June 16.-Five hundred people lost their lives in a cloudburst that almost entirely destroyed the town of Heppner, Ore.. Heppner is the county seat of Morrow county, and had about 1250 inhabitants.

All the telegraph and telephone wires are down and no accurate information can be obtained, but the estimate of loss of life is based on the most reliable reports received. A report from Ione, 17 miles from Heppner, is to the effect that over 300 bodies have been recovered. A messenger who arrived there said a wall of water 25 feet high rushed down into the gulch in which the town is separated, carrying everything before it. Entire families are among the dead.

The flood came with such suddenness that the inhabitants were unable to seek places of safety and were carried down to death by the awful rush | Sentiment of Delegates is to Enforce

Almost the entire residence portion of the town was destroyed, but some of the business part, which is on higher ground, escaped. Huge boulders weighing a ton were carried down by the current, and many people were killed by being dashed against the thunder storm occurred, covering a wide region of country, and later a streams overflowing their banks in a short time. Bridges were swept away like straws. Soon as possible after the flood had subsided the work of relief was commenced by the citizens. Dozens of bodies were found lodged along the bends of Willow Creek, and in several places they were piled over one another. Over 200 bodies have been recovered almost within the city limits.

FALSE STORY OF POPE'S DEATH Pontiff Not Very Strong and Grants Fewer Audiences.

Rome, June 15 .- General astonishment was produced here by telegrams which poured in, especially from Vienna and Berlin, announcing the death of the Pope. A rush was made for the Vatican to obtain news, and it was found there that there was no change in the condition of the Pope.

His holiness, though not quite so strong as before, owing to his last attack of hemerrhoids, leads his ordinary life, except that he grants fewer audiences.

All rumors regarding the Pope's indisposition and premature reports of his death are kept from him as far as possible, as they give him much concern, for the pontiff takes them most seriously.

"Why do they want me to be gone!" he exclaims. "I do no one any harm." It is impossible to make his holiness understand that it is the interest taken in his person which leads to the publication of these rumors.

No Auto For Miss Alice.

Washington, June 15 .- The mystery surrounding Miss Alice Roosevelt's automobile has been cleared away to some extent. It was expected that she would close the bargain for the automobile, ordered for her several weeks ago before she left Washington, but tears and entreaties were of no avail with the president, who is wedded to horseflesh, and the machine was not accepted. Miss Roosevelt left for Boston to visit her grandmother, Mrs. George Lee, and to attend the commencement exercises of Harvard. Her one hope now is that her indulgent grandparents will be cajoled into buying the machine for her.

Wilcox Had a Loaded Pistol.

Elizabeth City, N. C., June 16 .- Jim Wilcox, twice convicted of the murder of Nellie Gropsey, left here to begin his 30 years' sentence in the penitentiary at Raleigh. Previous to the arfival of the officers at the jail he offered to sell the jailer a pistol, and to the latter's amazement took a 38-calibre revolver from his pocket and fired three shots. He then gave it to the jailer. He claims that he carried this pistol during both trials fastened to his leg by his garter. He cursed the officers and had to be carried from the jail by force.

PRESIDENT AT SAENGERFEST

Spent Nearly an Hour Listening to Choruses and Solos.

Baltimore, June 16 .- A vast assemblage was present in Armory Hall last night to listen to the grand concert of the Northeastern Saengerbund. Every one of the 9000 seats in the audi-OVER 300 BODIES RECOVERED torium was occupied, 6000 singers were on the stage and standing room was at a premium.

President Roosevelt occupied a magnificently decorated box and his appear nee was the signal for unbounded enthusiasm and prolonged applause. After the delivery of his address President Roosevelt resumed his seat and spent nearly an hour listening to the chrouses and solos. He was particularly anxious to hear some of the singing, and when the schedule of his trip was being made he arranged it so that he could spend at least an hour in the armory. Some of the best choruses of the week were scheduled to take place while the president was here, after which he quietly left the building in time to catch the train for Washington.

Extraordinary precautions were taken to guard the president while in this city. An escort of 400 police guarded his carriage to and from the depot, and no person was allowed to approach it.

MINERS FAVOR STRIKE

Action of Executive Board. Scranton, Pa., June 16.-The special convention of the United Mine Workers of the three anthracite districts, called for the purpose of dealing with the refusal of the operators to recognize the conciliators appointed by the joint executive board, opened here with Narocky bluff. Early in the afternoon a tional President John Mitchell presiding and 640 delegates in attendance. The conciliation matter and all other heavy rain set in, many of the small grievances the different districts want to have considered were referred to a committee on resolutions, composed of seven delegates from each district and the three district presidents.

This committee met last night and presented a report for revision or adoption at today's session of the convention. The sentiment almost unanimously expressed in the motions and speeches is in favor of the convention contenting itself with endorsing the action of the executive board and leaving it to the operators to accept the three district presidents as conciliators or take the consequences of their refusal. Not few of the delegates declared openly for a strike to enforce acceptance of the district presidents' credentials as they now stand.

ARSON AT JACKSON, KY.

Desperate Efforts to Intimidate Witnesses in Famous Murder Case.

Jackson, Ky., June 15 .- The City Hotel, a three-story building, owned by Captain B. J. Ewen, the principal witness against Jettt and White, now on trial for the assassination of J. B. Marcum, has been burned to the ground. Fifteen guests were in the hotel, but all escaped without injury. There was no insurance on the structtre, and the hotel, with its furnish a lifetime, and Ewen is homeless and dependent on the hospitality of the

Three men reported having seen Joe Crawford and Ed Thah, wagoners for the Hargis Brothers, come across the bridge and return just before the blaze was discovered, and Major Allen ordered these men arrested. They were taken into the military camp by the soldiers and manacled in the guard house. Later they were taken before Judge Redwine and held in \$3,000 bail. The bonds not being procured, they were locked up in the military guard house.

MONUMENT TO NEGRO SLAVES

First of Its Kind in United States Erected at Barrington, R. I. Barrington, R. I., June 15 .- A me-

morial monument to negro slaves and their descendants in recognition of valuable domestic and patriotic services before and during the Revolutionary War, the first of its kind to be erected in the United States, was dedicated here.

The memorial is a white quartz boulder, buttressed at the corners by large black stones, emblematic of the inter-dependent relations of the white and black races, and bears a tablet inscribed:

"In memory of negro slaves and their descendants who faithfully served Barrington families."

Defended Her Honor With Her Life. Altoona, Pa., June 13.-The almost lifeless body of Mrs. Annie Canavan, aged 40, was found in a strawberry patch near her home at Kersey, Elk county, mutilated almost beyond recognition. She had been beaten with a pine knot found nearby. The woman died a short time afterwards. The murderer escaped, leaving no clue. He is believed to have been a tramp, who attacked the woman while she was picking berries. Evidence of a violent struggle were to be found, showing that the woman defended her honor with her life. She leaves a husband and several children.

Asbury Park Visitors See Water Spout Asbury Park, N. J., June 15 .- Visitors to the beach and boardwalk witnessed a waterspout out at sea. The spout formed about two miles south of the city and perhaps three miles off shore. It traveled in a northerly course, passing the city, and broke about two miles to the northward and somewhat further at sea than it had formed. The whirling column of water appeared to be a couple of hundred feet in diameter at the base. The beachmen say they never heard of another on this section of the coast.

Buying a pig in a poke is the proverbial expression for a purchase of something whose value is unknown.

No one who buys Dr. Pierce's Golden Medical Discovery is purchasing a medicine of unproved or doubtful value. It always helps. It almost always cures. Thousands of men and women who have been cured by the use of this medicine testify to a perfect restoration of health and strength by

Tried many remediate but they care about the state of the dies, but they gave only temporary relief. In November 1899, thought I would try Doctor Pierce's Golden Medical Discovery. I got six bottles and took five in succession, then thought I would wait for a time and take the one left. Soon found I had symptoms of the trouble coming back, so took the sixth bottle and it cured me. I have enjoyed the best of health this summer, and the credit all belongs to your 'Golden Medical Discovery.' I can't express my many thanks to Dr. Pierce for his remedy, for it did so much for me.
