WILL REJECT PETITION

President's Intention to Present Jews' Protest Surprises Russia.

NO COMPLICATIONS WILL ENSUE

Petition Will Be Rejected, Owing to Russia's Policy of Non-Interference In Internal Affairs of Other Powers. Czar Claims Similar Treatment.

Washington, June 27.-The Russian government has learned with profound regret of the intention of the Washington authorities to forward to St. Petersburg a petition from American Jews relative to Russian treatment of her Jewish subjects. It is yet hoped that the United States will appreciate the Russian view of the case and will content itself with the kindly expressions of sympathy which it already has offered for the affair at Kischinev. The Russian position regarding what is considered outside interference in the internal affairs of Russia has been stated.

That position continues to he held. and it is said that Mr. Riddle, the American charge, when he presents the petition at the Russian foreign office, will be received with the same cordiality always accorded an American envoy. In returning the petition to Mr. Riddle the officials will assure him that Russia cherishes no ill will toward the United States, and that the action it takes with respect to the petition is necessary in view of Russia's unalterable policy of refraining from interference in the internal affairs of other powers and insisting on similar treatment for itself. The Russian government hopes its firmness in the matter will not be misunderstood, but in view of the announcement of its position weeks ago is surprised at the developments which will force a reiteration of its views.

Indeed, it is declared Russia would be glad to do anything possible to relieve the tension in the United States, but feels unable to sacrifice a principle which it had followed hitherto and the American support of which it has warmly endorsed.

The Russian government readily admits the sincerity of the American government's decision and declines to listen to reports that the forwarding of the petition has any ulterior significance or is in any way associated with any other matters.

CORNELL'S BIG VICTORY

Won the Three Races In Intercollegiate Regatta.

Poughkeepsie, N. Y., June 27.-Varsity four-oared race; two miles: Cornell, first; time, 10 minutes 34 seconds; Pennsylvania, second, 10.35 4-5; Wisconsin, third, 10.55 3-5; Columbia, fourth, 11.14.

Freshman race, eight-oared, twe miles: Cornell, first, time, 9.18; Syracuse, second, 9.22 1.5; Wisconsin, third, 932; Columbia, fourth, 941; Pennsylvania, fifth, 9.45.

Varsity race, four miles, eight-oared: Cornell, first, time 18.57; Georgetown. second. 19.27; Wisconsin, third, 19.29 2.5; Pennsylvania, fourth, 19.33 3-5; Syracuse, fifth, 1936 2-5; Columbia, sixth, 19.54 1-5.

For the first time in years there were surprises in the intercollegiate races here. The Syracuse University crew took such close second honors in the freshman race that for the last half mile it was a serious question whether her boys would not jull to victory. Georgetown University, in the varsity race, finished a very bad second to the phenomenal crew put in the race by Cornell University.

Prior to the races the four-oared event was practically conceded to be Pennsylvania's, because her four was known to have had more practice than the others and to have shown better form, but Cornell beat her out by a third of a length, the nose of the Pennsylvania shell being on a line with the bow oar of Cornell's shell as the flag fell.

RHEUMATISM.

It used to be thought that rheumatism was a disease of the bones. Now we know that it is a disease of the blood. If rheumatism is to be cured it must be cured through the blood.

Dr. Pierce's Golden Medical Discovery cures rheumatism, because it purifies the blood from clogging and corrupting substances. It removes the cause of disease. Its effects are the same when the impure blood causes pimply eruptions, boils, sores, etc. By its perfect purification of the blood "Golden Medical Discovery " removes the cause of disease, and gives the smooth clear skin which belongs with good health.

"I cannot praise your medicine too highly," writes Mr. James E. Cramp-ton, of Sharpsburg, Washington Co., Md. "I was in business in Balti-more and had rheumatism for three months; couldn't walk at all. I tried the best doctors I could get but they did me no good. I took three bottles of Dr. Pierce's Golden Medical Discovery and it cured me sound."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good." Dr. Pierce's Common Sense
