Rev. Doerstler, one of our successful devines a few years ago, spent a few days very pleasantly at the home of Mrs. Mary Nestlerode last week.

Mrs. Frederick Schlegel is critically ill with pleuro pneumonia. Dr. Smith is paying daily visits.

Mrs. Annie Rorabauch returned to Lemont Sunday in an automobile ; it was a dandy.

G. Z. Kerns, Esq., and Dr. H. S. Rishel, of Westmoreland county, paid our town a business and also a pleasure visit of one week. While here Mr. Kerns was busy soliciting bond buyers for the bank the young man together with some of our local capitalists, are about to establish ; the bank will be known as Spring Hill Banking Company. W. B. Creps has already been appointed cashier, and Dr. Noll medical examiner. While Dr. Rishel spent most of his time with Dr. Noll, looking up their business which we understand will be left entirely to Rishel in the winter absence of Dr. Noll. The Dr. does not say whether he will spend his winter at Los Angelos as usual or whether he will go to Cuba and Porto Rico.

Rev. Hines was the guest of Wm. Royer and family, Sunday.

R. A. Douty and family spent Sunday at Loganton with the lady's father, Mr. Beck.

Walter Albright passed through town one day last week.

Drs. Noll and Rishel performed a very critical opperation on Geo. Bechtol, on Sudday afternoon. Mr. Bechtol is getting along nicely.

Mr. Ferstholer, of Elimsport, spent a day with F. A. Yerick & Co., lumber dealers.

It was far too important an event to have been lost sight of, but Dr. Barker wore his honors so modestly that few people knew until a week has slipped by, that he was pap. The young man arrived on the 24th ult.

Last Friday George Harter and wife, of Centre Hill, paid a visit to the scribe. A letter came to hand written by J. T. Eisenhuth, of West Virginia, saying he likes the place and the people, and will move his family down in the fall. Billy Rode, our peace-maker at Co-

burn, wishes to have it mentioned through | the Centre Democrat, that he would be glad if the Rankletown gents would meet him front face and not behind his back.

The whistle of the big mill was heard on Friday at the West end.

Barney says he can get all the orders for stove wood he wants, and can keep prince at running all summer, and the biggest part of the winter; well, that is about what they have to saw.

The last I heard of the Georgetown scribe was in the West Brush valley items; I wonder what the deal he was tooling around over there for ; he can't be short in news, as Georgetown has lots of gab on hand always.

Last Monday Fred made a flying trip to Coburn.

If Jess don't make a fence he will not sell much buck wheat as I think it foolish to sow grain and not have a fence to protect it; the scribe is not able to make his fence this year, last year I was fool-ish enough and made it.

NEW WAY TO TREAT HAY FEVER.

No Stomach Dosing-lust Breathe Hyomei-Stops Sneezing and Smarting. Sidney Krumrine is recommending to his customers, as a cure for hay fever, Hyomei.

It is claimed for this remedy that it stops the spasmodic paroxysms of sneezing, the smarting and running of the toms of this disease.

Many persons have been cured of hay fever by Hyomei and its inventors profess to be able to prevent both the occurrence of the annual attacks and to arrest the progress of the disease when in the most chronic form.

Among those who have been cured by Hyomei are J. F. Forbes, chief dispatch-er B. & M. R. R., McCook, Neb., who writes: "I have never had relief from any remedy for hay fever even tempor-arily, until I used Hyomei. I will al-ways recommend it whenever occasion offers."

A. Hamlin, Westford, Mass., writes: "Hyomei cured me of hay fever in one week's time. I consider it a duty to tell others who suffer from this disease."

These endorsements are samples of hundreds that have been received by the nanufacturers of Hyomei, but Sidney Krumrine's offer to refund the money if Hyomei does not do all that is claimed for it, is the strongest proof that can be offered as to the reliance they place
