Constantinople, Aug. 31. - It now transpires that the report that Vice Consul Magelssen was killed is incorrect. An unknown individual fired at him and the bullets passed close to the vice consul but did not souch him. The vali of Beirut afterwards visited Vice Consul Magelssen, expressed his regrets for the outrage and ordered measures for the arrest of the perpetrator. The error in stating that Vice Consul Magelssen had been killed arose from a mistake in a cipher telegram.

News Confirmed In Washington. Washington, Aug. 29. - A decidedly new turn in the case of United States Vice Consul Magelssen at Beirut, Syria, who was reported to have been assassinated last Sunday, developed last night when it became known that the

report was incorrect and that, although Mr. Magelssen had been shot at, he had not been injured. This information came to the state department last night in a dispatch from United States Minister Leishman at Constantinople, who said the mistake in making the original announcement was due to an error in the transmission of the cipher dispatch from Consul Ravndal at Beirut in reporting the incident to the minister.

It can be said that the president and Secretary of State Hay both regard it advisable, in view of the present state of unrest in Turkey, to have American war vessels in Turkish waters. For several hours President Roosevelt and Secretary of State Hay were in conference at Sagamore Hill. They discussed every suggested phase of the situation in Turkey. At the conclusion of the conference Secretary Hay announced his intention of returning immediately to Washington.

## Italian Banker Murdered.

Philadelphia, Sept. 1. - Vincenzo Tilli, the proprietor of an Italian bank at 822 South Eighth street, was shot and killed by a fellow countryman named Giovanni Viola. The murderer ran from the bank, and as he was pursued by a large crowd he turned and fired his revolver at his pursuers. One bullet struck Policeman Thomas Conly in the breast, and he was removed to a hospital in a serious condition. Viola was captured after a severe struggle, during which he fired his revolver, but did no further damage. The police have been unable to learn what Viola's motive was in killing Tilli.

## Killed in Drunken Scuffle.

Scranton, Pa., Aug. 29 .- In a drunken scuffle for the possession of a revolver between Frank Fahey, aged 17. and William Williams, aged 23, Williams was shot in the abdomen and died in five minutes. Fahey was locked up. Both men are mine workers and close friends.
