Pennsylvania Railroad Train Porters.

A popular feature of the through trains of the Pennsylvania Railroad which leave New York daily for the West at 7:55 a. m. and 1:55 p. m., and leave Pittsburg daily for the East at 3:00 a. m. and 7:30 a. m. are the train porters stationed in the day coaches.

Their duty consists of keeping the cars clean and rendering whatever service passengers may require. The Pullman porter has long since demonstrated his usefulness; the Pennsylvania Railroad train porters serve the ordinary coach passenger in the same capacity as the Pullman porter serves those who ride in parlor and sleeping cars.

The day coaches on the above mentioned trains, as well as those on trains leaving New York at 5:55 p. m. daily for the West and leaving Pittsburg at 7:10 p. m. daily for the East, are equipped with lavatories, in connection with which the service of train porters are especially convenient.

SIMPLE REMEDY FOR CATARRH.

Just Breathe Hyomei Four Times a Day and be Cured.

If a few years ago some one had said you can cure catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed and it remained for R. T. Booth, that eminent investigator, to discover in Hyomei this method of cure.

Hyomei has performed the most miraculous cures of catarrh and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims.

The complete outfit of Hyomei costs but \$1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei. Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation, and effects a complete and lasting cure.

The Treasurer of the American Life Insurance Company, J. S. Nugent, of New York city writes: "Hyomei has completely cured my daughter of catarrh from which she has been a sufferer for years."

In Bellefonte there are scores of well-known people who say they have been cured of catarrh by Hyomei. If it does not cure you, Sidney Kraus will return the money you paid for Hyomei. This is the strongest evidence that can be offered as to his faith in the remedy.
