DON'T LOSE YOUR VOTE.

The time for the payment of state and county taxes, thus enabling the voters of the county to vote at the February election, expires Saturday, Jan. 16. It is important that all delinquents get a tax receipt on or before that day. Young men who have already voted twice and are over 22 years of age, and have not paid the tax yet, should do so before the above date in order that they be entitled to vote next month. Last year a number of taxpayers were challenged in Bellefonte for this reason and got quite angry. Pay your taxes and avoid trouble.
