EDITORIAL

THE g. o. p. organs are just low botherin' much about Bryan, altho the great Nebraska is not a candidate for president.

In spite of all the vaccination in the past few years, voluntary and enforced, there seems to be more smallpox generally, than usual.

SOME republican organs charge that Bryan is planning to get into the U. S. Senate. Well, he wouldn't be a bad fellow to have there, being built of the sturdiest honesty and unmatched ability he would tower above many of the scrubs and pigmies in that chamber as does a great pine of California above a huckleberry stock.

THE lower house of congress the other day defeated the mileage grab for the extra session, but made a sad spectacle of itself in the matter. A viva voce was taken, "shall the bill pass," and a majority voted "aye."

A DECISION that is likely to prove of interest to justices of the peace was handed down by the Supreme Court several days ago. It decides that justices can only issue warrants and receive information in those districts for which they were selected.

THE awful theatre fire in Chicago is piling up a mountain of damage claims. City Attorney John F. Smulski has just completed an analysis of the personal injury suits, amounting to \$38,666,952, pending against the city.

Through to Morrisdale. On last Thursday afternoon the Centre & Clearfield street railway ran its first car through to Morrisdale.

Pain in Chest Sore Lungs Grip

How easy it is to catch cold! How quickly it settles on the lungs, and how often if neglected it results in Grip, Pneumonia and Consumption! Many deaths are caused in the beginning by a slight cold.

Hamlin's Wizard Oil will break up a cold on the lungs in a night. It should be applied when the first symptoms appear. Rub the chest well with the medicine, lay upon it a linen cloth wet with Hamlin's Wizard Oil and cover over with flannel bandage. No ordinary cold can withstand this treatment. Apply it at night just before retiring and in the morning the cold will be broken up.

My little girl, aged two years, has suffered more or less with cold since her birth and finally became serious. We tried remedies of several kinds and they seemed to give no relief. A friend of mine recommended Hamlin's Wizard Oil to me and after the use of one bottle she has become entirely well. I shall never be without Hamlin's Wizard Oil in my house. I cannot recommend it too highly.

There is only one Wizard Oil—Hamlin's—name blown in the bottle. Signature "Hamlin's Wizard Oil" on wrapper. Take no substitute. 50c. and \$1.00.

Hamlin's Cough Balm

Cures the Cold. Prevents Pneumonia. 25c, 50c.
