George, has labored assiduously and further engrafted himself into the good graces of the people in this community for his unselfish devotion toward the further betterment of the community. Miss Annie Daley also deserves the most hearty thanks for her faithfulness as organist and assistant in the work. Master Isaac Fiedler has returned from Williamsport and is again attending school at Mann's school, where his father teaches. Elder Frank Long preached quite an unusual but practical sermon at Summit Hill church, Sunday evening. His discourse dwelt largely on the subject of women's headcoverings in places of worship. Some of the girls present evidently failed becoming serious for they evidenced quite a talkative disposition during the greater portion of the evening's service. Rev. Azer and family, of Williamsport, are moving on the Brickley property. So far as can be ascertained the Long farm, being vacated by "Doc" Brickley, and the Conrad Singer farm, are both for rent.

RUTS

The walking sick, what a crowd of them there are! Persons who are thin and weak but not sick enough to go to bed. "Chronic cases" that's what the doctors call them, which in common English means—long sickness. To stop the continued loss of flesh they need Scott's Emulsion. For the feeling of weakness they need Scott's Emulsion. It makes new flesh and gives new life to the weak system. Scott's Emulsion gets thin and weak persons out of the rut. It makes new, rich blood, strengthens the nerves and gives appetite for ordinary food. Scott's Emulsion can be taken as long as sickness lasts and do good all the time. There's new strength and flesh in every dose.

We will be glad to send you a few doses free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE, Chemists, 409 Pearl St., N. Y. 50c. and \$1. at druggists.

STORY OF A TIRED-OUT MINISTER

OWE YOU my heartfelt gratitude," said a minister to one of our representatives recently, "for insisting on my trying a bottle of Rexall Mucu-Tone. You know I am not at all addicted to the medicine habit, and I was rather skeptical of the merits of Mucu-Tone. Still, you urged me, and I could see no harm in trying it. Since then I have used three bottles, and have recommended it to I don't know how many people. I am convinced that you were right when you told me that I had some kind of catarrh—of the kidneys, I judge, from the terrible backache I experienced, yet I had supposed that catarrh was a disease of the nose and head only. I have read the Mucu-Tone booklet, however, and I can now understand how catarrh attacks any part of the mucous membrane. "Rexall Mucu-Tone is wonderful. I am using it three times a day, and have not felt so well in years. It is giving me strength, and I believe I am adding some flesh."

How many churchgoers realize the strain under which their pastor labors? How many appreciate the fatigue that follows his Sunday work? The nerve-racking, brain-wearing duties that endure from week's end to week's end, from the beginning of the year to the close, and from one year to another? But this cannot go on forever. Sooner or later a minister so pressed feels his energies waning. After a while there is a break-down—a physical and mental collapse. If he could only get out into the country for a month or two of absolute rest, but—why suggest such an impossible thing! We know that no minister can spare the time for this. Neither can any other business or professional man. The next best thing is to replenish the waning vitality by artificial means—to help Nature in her efforts to supply energy and nerve power. Our new remedy, Rexall Mucu-Tone, does this.

Physical and mental exhaustion is due to a catarrhal congestion of the mucous membranes. Rexall Mucu-Tone cures it by cleansing these membranes, driving out the poisons and allaying the inflammation. It also revitalizes the blood, steadies the fagged nerves and builds up the body. We ask you who are weak, nervous and in need of new energy to give Mucu-Tone a trial. Then if you are not more than satisfied we will give you back your money. Large bottle, 89 cents. Sold only at our store. GREEN'S PHARMACY.

Pain in Chest Sore Lungs Grip

How easy it is to catch cold! How quickly it settles on the lungs, and how often if neglected it results in Grip, Pneumonia, and Consumption! Many deaths are caused in the beginning by a slight cold.

will break up a cold on the lungs in a night. It should be applied when the first symptoms appear. Rub the chest well with the medicine, lay upon it a linen cloth wet with Hamlin's Wizard Oil and cover over with flannel bandage. No ordinary cold can withstand this treatment. Apply it at night just before retiring and in the morning the cold will be broken up. Oursay, Col., April 25, 1902. My little girl, aged two years, has suffered more or less with cold since her birth and finally became serious. We tried remedies of several kinds and they seemed to give no relief. A friend of mine recommended Hamlin's Wizard Oil to me and after the use of one bottle she has become entirely well. I shall never be without Hamlin's Wizard Oil in my house. I cannot recommend it too highly. RICHARD W. THORNTON.

There is only one Wizard Oil—Hamlin's—name blown in the bottle. Beware of "Hamlin Bros." on wrapper. Take no substitute. 50c. and \$1.00.
