ANTHRACITE coal will likely be reduced 50 cents a ton during spring. There is little satisfaction in that, as winter is over and little heat is used, and when fall comes the usual advance follows. The coal trust by advancing prices last winter had enough profit to pay all losses of the big strike. Eventually these things all come off the people.

Make the blood pure, vigorous and rich, create appetite, give vitality, strength and animation, and cure all eruptions. Have the whole family begin to take them today.

PITY THE GIRL WITH NERVES

Sunken Eyes and Hollow Cheeks Tell Story of Ravages of Dyspepsia.

Beauty depends upon health. Wrinkles, crow's-feet, deep-set eyes, hollow cheeks and hysteria follow closely in the wake of a disordered stomach.

Of all nerve destroying maladies, dyspepsia is the worst. It will tear your system to pieces and make life miserable. You cannot eat or sleep, you grow thin, weak and sallow.

Indigestion and a hot bitter fluid rising in the throat are the first symptoms.

If you have these buy a package of Rexall Dyspepsia Tablets.

CAPT. GEO. W. COOK, A CIVIL WAR VETERAN, OF 108 MILLET ST., DETROIT, MICHIGAN, SAYS:

"I have suffered from acute dyspepsia for the past eight years and could find no relief from doctors or medicine until I procured a box of Rexall Dyspepsia Tablets. These I am pleased to say gave me immediate relief. They do all that is claimed for them and are easy and pleasant to take."

This is the only remedy we know of that will positively and permanently cure dyspepsia. It embodies a new medical principle heretofore unknown in the treatment of this disease. We have enough confidence in it to make this offer: Give Rexall Dyspepsia Tablets a trial. If they don't cure you we will return your money.

Price 25 cents. For sale only at our store or by mail.
