The classes were trained by Mrs. A. J. St. Clair and Mrs. D. Buck, who deserve much credit for their zeal and untiring perseverance in their efforts to give the public an entertainment rich in moral and religious instruction as well as most pleasing in every feature. The music prepared by the choir for the occasion, was fine. The recitations by Helen Deters, Elizabeth Musser and Hannah Holt were prettily delivered. "Wake Up," a solo by Margaret Eckenroth, was very pleasing; this was followed by a speech by Clark Emerick. "Sing it Again," recitation by Helen Moran, then "God wants us to be Good," by Patterson Holt. "I'm a Little Pilgrim," by Earl and Mira. Hosband; "Spices for Christ" by 7 boys, was good. "The Buds of Sharon" by Clara Eckenroth and Almada Peters, two little tots of 3 or 4 years of age, was too cute for anything. "I'm glad they saw the Angels" by Mary Lonsberry, and "A Tale of the Olden Time," by Hassel Stere were both well rendered; "An Angel touched the Stone," by Lucy Wohlslag; "Easter Bells," by Foster Holt and "Mary," by Beatrice Stere, were also fine; "The Cross" by 14 little girls was beautiful; song, "Easter Tide," by a class of girls; "The Rent Yell," by Verma Moran; "New Other Name," by Oia Parsons; recitation by Florence Ingram and "The Mariner's Light House" by Clara Summers, were exceptionally fine; "Achievements of Youth" by Cornelius Brugger; "Cheering Lights" by Eloise Buck, Elsie Hall, Laura Calhoun, Willamina Emerick, Effie Hazel and Belle Ingram, was, perhaps, the prettiest and best rendered piece of the evening. The entire entertainment was a feast of things which all enjoyed.

## 2,000,000 Bottles of PARACAMPH

Used in 1903. Have you tried it?

If Not, Fill Out the Coupon Below and We Will Give You a Bottle FREE.

100,000 Bottles Free to Sufferers.

Paracamp is a combination of refined camphor and soothing, healing, antiseptic oils. The process of combining same is the discovery of a prominent Scotch chemist who spent many years in experimenting and close study before perfecting the combination. His object was to combine camphor with certain medicinal oils so as to have a safe, effective treatment for all forms of congestion, soreness, swelling and inflammation by external application.

The need of such an external remedy is readily apparent to every one when we realize that so many people have weak hearts for which reason they are unable to take internally strong, opiate drugs for the relief and cure of severe pains. Thousands of people have ruined their stomachs and nervous system by taking strong internal medicines, many of them have formed a dreaded and horrible drug habit which is wrecking their lives and the lives of their children.

**Hospitals and Physicians.**

Paracamp is endorsed by all physicians who have ever tried it and is used in the principal hospitals of our country because of its effectiveness and the purity of its composition. You should always have a bottle in your home, in case of serious accident; if promptly used it will prevent blood poisoning, and should you need a doctor, the wound will be in a condition for a thorough examination without pain to you.

**Words of Warning.**

Opiates, strong internal medicines and many so-called germicides are used by hundreds of people to stop or deaden pain—to check and cure ailments which can be easily reached through the pores of the skin. Why should you take any chances of ruining the delicate tissues of your stomach and intestines by swallowing drastic and oftentimes poisonous remedies, which at best can only give you a few minutes' relief from pain. Such medicines don't and can't cure you; so take care. When you begin to use strong, internal remedies, it is best to consult your family physician.

**We Offer You**

In Paracamp the only remedy known to medical science that will quiet and pain by its peculiar action on the pores of the skin, removes the congestion by stimulating the circulation, draws out all soreness, fever and inflammation by inducing sweating. For instance in Rheumatism, it neutralizes the uric acid and by stimulation causes it to pass out of the system in a natural manner. It is the only remedy which heals wounds without leaving ugly scars. It is a sure preventive of blood poisoning. Paracamp can be used internally with perfect safety for the treatment of Croup, Sore Throat, Sore Lungs, Asthma and severe pains in the stomach. It is soothing, antiseptic, healing and perfectly harmless even to the most delicate stomachs. It positively contains no morphine, opium, cocaine or any other dangerous drugs.

**Paracamp Cures**

the following ailments, whether recent or of long standing. It cures in a scientific manner and does not in any way affect the heart, injure the nervous system or upset the stomach. It works through the pores of the skin.

**A Bottle Free.**

If you have never tried Paracamp, send us this coupon today. This is our gift, made to convince you what Paracamp is and what it can do. Don't hesitate, as this places you under no obligations whatever.

**Womanly Health, Strength and Beauty**

Strength and beauty in woman depend entirely upon her health. A woman cannot look her best if suffering from one or more of the many ailments peculiar to her sex. These ailments invariably cause, sooner or later, the loss of her symmetry of form and freshness of complexion.

**AUNT DINAH'S OLD VIRGINIA Herb Tea**

Makes Strong and Beautiful Women.

It is a most pleasant and effective remedy for the troubles which cause so much suffering among women the world over. It relieves immediately and eventually cures all cases of disordered circulation, female weakness, prostration, chronic constipation, sick head ache, nervousness and sleeplessness. These are the ailments which deprive a woman of her youth and beauty and make her old before her time. The use of the Herb Tea will enable her to retain these qualities. It clears the complexion and improves the form. A cupful at bed time will give a woman health and strength.

Chicago, April 18, 1904.

Hamilton Wizard Oil Co., Chicago, Ill.

My wife has been suffering with female weakness and extreme nervousness which latter the physician who has been attending her for a long time attributed to her being unable to sleep. After taking about all night, she would invariably rise in the morning with a terrible headache. The doctor seemed to be able to do nothing for her and she was constantly getting worse. She decided to try your Herb Tea and drank a cupful before retiring. In the morning she arose after a good night's rest and without a headache for the first time in months. She has continued taking it during the past three months and has forgotten what a sleepless night means. She is feeling splendid and every one remarks how well she is looking. Her complexion is so clear as a young girl's and her figure has improved wonderfully. Yours truly,
