## RHEUMATISM CURED

By Paracamph.

Mr E. L. Hawkins, 123 West 27th St., New York City, Says:

"I have used Paracamph in a severe case of Rheumatism, and will say that I got immediate relief. I have tried almost every preparation that is now before the public, and find that Paracamph is without question the best remedy for Rheumatism. I wish you success and heartily recommend Paracamph."

Mr Hawkins is only one out of many thousands that have been cured by the wonderful penetrating remedy Paracamph. This new remedy is a scientific preparation which when applied, opens the pores of the skin, allowing the soothing, cooling oils to penetrate to seat of the ailment, removing the soreness and congestion, drawing out the fever and inflammation by inducing sweating. It sweats out the pain and aches, and this is Nature's plan.

Don't ruin your stomach with strong internal medicines for Rheumatism, Neuralgia, Sore Joints, etc. We guarantee Paracamph to relieve and cure you if used as directed. If it fails your druggist will refund your money. If your druggist don't handle Paracamph ask him to get for you.

If he won't do this send direct to us. But don't take any substitute because there is nothing just as good. Paracamph is sold only in 25 cent, 50 cent, and \$1.00 bottles.

The 50 cent size contains three times as much as the 25 cent size; the \$1.00 bottles eight times as much as the 25 cent size.

## AUNT DINAH'S OLD VIRGINIA Herb Tea

A BOON TO WOMANKIND

is of the greatest assistance to nature in bringing about the change which takes place, without disturbing the natural functions of the system. It is a strengthening tonic. It will keep the roses in a girl's cheeks and prevent that tendency to decline which so often endangers her life at this critical point in development.

This Herb Tea is likewise of corresponding value and assistance to matrons and mothers at the end of this period. Its use will at this time prevent endless pain and worry. A woman will enter the evening of life with scarcely the knowledge that the change has occurred. Many are the thankful women who know the value of Aunt Dinah's Old Virginia Herb Tea and are grateful for the benefits derived from its use.
