HOWARD NO. 2.

MARRIED:—the most prominent social event that has occurred in this part of the county for years was the marriage of Miss Nelle Elizabeth Bannison, daughter of the well known Capt. and Mrs. S. H. Bannison, at their residence at Abdera, to William J. Torrence, of Bell Centre, Ohio, at noon Wednesday, May 18th. The wedding march was played by Miss Susan Worrick, of Mackeyville, escorted

by McDowell Tibbens. Willard McDowell acted as best man in such a gentlemanly manner one would think he was accustomed to it. The bride was attired in white organdy, trimmed with lace, and carried bride roses and carnations. The maid of honor, Miss Emera Bannison, sister of the bride, wore blue organdy and carried carnation flowers. Rev. Brown, the Presbyterian minister, of Mill Hall, officiated. Over fifty friends and relatives partook of a sumptuous repast when the newly wedded couple bade adieu to their friends and started for their future home at Bell Centre, Ohio, where the groom is engaged in company with his father in the carriage manufacturing business. Mr. Torrence has done well in securing the companion he did, and we can say the same for his better half. Success will surely accompany them.

Henry M. Confer, while in town the other day, offered to sell his entire peach crop for three dollars and thirty-three cents. Afterwards he agreed to throw off the three dollars and said if the blamed things didn't produce he'd kick the stuff out of them and plant plum trees. He, no doubt, has heard of M. S. Quay.

We always supposed that Al. Irwin was the only successful horse tamer in this part of the country; but we must admit that our worthy constable, Roy Leathers, is not slow in the business. On Monday, when Roy was astride his noble steed—

need have no fear of the ordinary ailments and mishaps of mankind. Hamlin's Wizard Oil is a safeguard for children, a comfort to parents, a boon to the old folks. It will pay to keep this old-time, reliable family medicine always on hand in case of need.

Starbuck, Minn., April 13, 1901.

I have been in bed for four weeks with a Sprained Back, caused by too heavy lifting. I have tried almost everything to cure it. Seeing what Hamlin's Wizard Oil had done for others I tried a bottle and in two days I was able to work.

JOHN SMITH.

which is a good one but nervous—some one, not having a fear of future punishment in his mind, did accidentally, incidentally, or with malice aforethought throw a piece of banana stalk at his horse's heels. Well, Pawnee Bill's great-eater wasn't in it with that horse and there sat Roy like "patience on a monument smiling at grief." Roy was a little bit angry after he got off the horse, but I think it was because he had no ladder along to get on again as he has quite a tall horse. Roy is all right in his weight.

Oh! was some one the gift to give us To see ourselves as others see us, It would perhaps from slanderers free us, Not only in our, but other boroughs.

Money stolen may be replaced, But some good name may be disgraced By careless words, of some who could, Use their warm tongues in doing good.

It seems that some are born for strife, To ferment trouble twist man and wife, Maiden and lad, must stand their share, Of this vile tongue, found everywhere.

And widows they've no show at all, A man can't make a business call But "body-body" knows it all, And she can tell just what was said, And just how often she shook her head, And she'll say to her neighbor as sure as fate That widow Jones, is "not quite straight."

"Early Risers" you dare not take, No matter how your back does ache, If you're seen at two A. M., They'll swear it was to see A. M., Auf Wiedersehen.

EASY WAY TO CURE CATARRH.

Breathe Hyomei and Kill All Catarrhal Germs. "Money Back if it Fails," Says S. Krumrine.

There is no dangerous stomach drugging when using Hyomei. The healing and aromatic balsams which compose this wonderful treatment are breathed through a neat pocket inhaler that comes with every \$1 outfit.

In this way, the germ-killing and health giving Hyomei penetrates to the most remote cells of the lungs. It searches out and kills disease germs in the air passages of the head, throat and nose, soothes and heals the irritated mucous membrane, and absolutely drives catarrh from the system.

Such remarkable results have followed the use of Hyomei by the best people in Bellefonte, that S. Krumrine has the greatest confidence in its power to cure catarrh. He believes in it so thoroughly, that he will give his personal guarantee to refund the money if it does not cure, the purchaser to be sole judge.

This is an unusual offer and the first time that any medicine or treatment for the cure of catarrh has been sold in this way. If it cures, the expense is trifling, while if it fails, the cost is absolutely nothing.

If you are fortunate enough not to be troubled with catarrh, tell your friends of S. Krumrine's offer and get them to take advantage of it.

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it.

In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

Send for free sample. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York, 2c. and \$1.00; all druggists.
