Earn Stover, of Aaronburg, on Monday, was fined \$25 and costs for fishing with a dip net in Pine creek last April. While every person should obey the law regarding illegal fishing, yet as far as we can understand this prosecution was brought about by a neighbor of Mr. Stover's informing the fish warden of the offense, no doubt thereby securing a small pecuniary compensation for doing so.—Journal.

At a meeting of the directors of the First National bank of Philipsburg, held Monday, 23, George W. McGaffey was elected president to succeed William P. Duncan, deceased. Mr. McGaffey is one of the heaviest stockholders of the bank and one of the founders of it and his elevation to the highest office in it is very fitting. T. J. John Fisher's home, two miles west of Blanchard, was destroyed by fire on Monday evening. Mr. Fisher was alone and had retired with a lamp turned low. During the storm that swept down the Bald Eagle valley on the 25th; the house of Rev. Gross, at Howard, was struck by lightning and he and his mother-in-law were both severely shocked by the electric current. Both the Bell and Commercial telephone lines were put out of business for a short time.

A six-foot black snake of the racer species came nigh having a Russo-Jap scrap, about two miles below Howard at the house of J. H. Orndorf in Marion township, on Sunday 22 ult. The family had gone to a funeral, with Miss Mary Hoops alone about the premises. As she stepped from the house into the yard she spied a large black snake stretched across the cellar door. A cat just about that time had her attention taken by the snake and puss at once stealthily crept towards the reptile, no doubt to make a dash for the snake which became partially coiled and with head erect and tongue darting back and forth—both sides apparently ready for a fight, which would have been interesting but for the fact that Miss Hoops intervened by arriving with a shovel and gave the reptile a blow which avoided the pending battle, and put an end to further proceedings, that certainly would have been of interest as to which, puss or snake, would come out victorious.
