No mention was made of Z. T. Weirick who so ably conducted the singing. Honor to whom honor is due, fair play.

The poet's exclamation: "O Life! I feel thee bounding in my veins," is a joyous one. Persons that can rarely or never make it, in honesty to themselves, are among the most unfortunate. They do not live, but exist; for to live implies more than to be. To live is to be well and strong—to arise feeling equal to the ordinary duties of the day, and to retire not overcome by them—to feel life bounding in the veins. A medicine that has made thousands of people men and women, well and strong, has accomplished a great work, bestowing the richest blessings, and that medicine is Hood's Sarsaparilla. The weak run down, or debilitated, from any cause, should not fail to take it. It builds up the whole system, changes existence into life, and makes life more abundant. We are glad to say these words in its favor to the readers of our columns.

MONTH'S TRIAL FREE.

Breathe Hyomei Three or Four Times Daily and be Cured of Catarrh.

S. Krumrine, one of the most reliable business firms in Bellefonte, has seen many instances of the remarkable power of Hyomei to cure catarrhal troubles and other disorders of the respiratory organs.

Results in this treatment have given him so much confidence in Hyomei that S. Krumrine will give a month's trial with the positive understanding that if at the end of that time a cure is not effected or enough relief gained to warrant a continued use of the treatment for a while longer, the money will be refunded.

Hyomei is the only treatment for catarrh that has ever been sold under a "no cure, no pay" plan, and the only one where a month's trial treatment is free unless it cures.

Hyomei is not a pill or liquid. Just breathe it through the neat inhaler that comes with every outfit, and benefit will be seen from the first day's use. Breathe it in this way, the health-giving Hyomei penetrates to the minutest air cells of the lungs, and drives catarrmal germs and poisons from the system.

The complete outfit costs but \$1, and extra bottles of Hyomei may be obtained for 5 c.

Remember that if Hyomei does not cure you after a month's trial, S. Krumrine will refund your money and the treatment will be absolutely free.

Rev. O. Buck preached an able sermon in the Bethesda church on Sunday.

Hello! West Brushvalley scribe, I saw your items in the Millheim Journal as you expected I would. I am glad that you also sympathize with me; but see here; it is not only the pleasure of some people to tear down other people's character, but those that do their best to reduce others characters have indeed a very low character themselves. If it would be done with truthfulness and not with falsehood it would not cause much of a fuss. But I am afraid that if all these things would be tracked they would end at one person. The best remedy that I can think of is go to G. P. Weaver and get things made right. The people that start such talk certainly have a bad conscience and a bad reputation. The Hoy school district scribe can tell a great deal about these things because he is in the same condition that we are in; well we will talk about this later on—good bye, brother West Brushvalley.

Womanly Health, Strength and Beauty

Strength and beauty in woman depend entirely upon her health. A woman cannot look her best if suffering from one or more of the many ailments peculiar to her sex. These ailments invariably cause, sooner or later, the loss of her symmetry of form and freshness of complexion.

AUNT DINAH'S OLD VIRGINIA Herb Tea

Makes Strong and Beautiful Women.

It is a most pleasant and effective remedy for the troubles which cause so much suffering among women the world over. It relieves immediately and eventually cures all cases of disordered menstruation, female weakness, prolapsus, chronic constipation, sick head ache, nervousness and sleeplessness. These are the ailments which deprive a woman of her youth and beauty and make her old before her time. The use of the Herb Tea will enable her to retain these qualities. It clears the complexion and improves the form. A cupful at bed time will give a woman health and strength.

Chicago, April 19, 1903.
Hamilton Wizard Oil Co., Chicago, Ill.
I write to you—My wife has been suffering with female weakness and extreme nervousness which latter the physician who has been attending her for a long time attributed to her being unable to sleep. After taking almost all night she was invariably free in the morning with a terrible headache. The doctor seemed to be about to do nothing for her and she was constantly getting worse. She decided to try your Herb Tea and drank a cupful before retiring. In the morning she arose after a good night's rest and without a headache for the first time in months. She has continued taking it during the past three months and has forgotten all sleepless nights means. She is feeling splendid and every one remarks how well she is looking. Her complexion is as clear as a young girl's and her figure has improved wonderfully.
Yours to the victor,
