MONTH'S TRIAL FREE.

Breathe Hyomei Three or Four Times Daily and be Cured of Catarrh.

S. Krumrine, one of the most reliable business firms in Bellefonte, has seen many instances of the remarkable power of Hyomei to cure catarrhal troubles and other disorders of the respiratory organs.

Results in this treatment have given him so much confidence in Hyomei that S. Krumrine will give a month's trial with the positive understanding that if at the end of that time a cure is not effected or enough relief gained to warrant a continued use of the treatment for a while longer, the money will be refunded.

Hyomei is the only treatment for catarrh that has ever been sold under a "no cure, no pay" plan, and the only one where a month's trial treatment is free unless it cures.

Hyomei is not a pill or liquid. Just breathe it through the neat inhaler that comes with every outfit, and benefit will be seen from the first day's use. Breathed in this way, the health-giving Hyomei penetrates to the minutest air cells of the lungs, and drives catarrhal germs and poisons from the system.

The complete outfit costs but \$1, and extra bottles of Hyomei may be obtained for 5 c.

Remember that if Hyomei does not cure you after a month's trial, S. Krumrine will refund your money and the treatment will be absolutely free.

RHEUMATISM CURED

By Paracamp.

Mr E. L. Hawkins, 123 West 27th St., New York City, says:

"I have used Paracamp in a severe case of Rheumatism, and will say that I got immediate relief. I have tried almost every preparation that is now before the public, and find that Paracamp is without question the best remedy for Rheumatism. I wish you success and heartily recommend Paracamp."

Mr Hawkins is only one out of many thousands that have been cured by the wonderful penetrating remedy Paracamp. This new remedy is a scientific preparation which when applied, opens the pores of the skin, allowing the soothing, cooling oils to penetrate to seat of the ailment, removing the soreness and congestion, drawing out the fever and inflammation by inducing sweating. It sweats out the pain and aches, and this is Nature's plan. Don't ruin your stomach with strong internal medicines for Rheumatism, Neuralgia, Sore Joints, etc. We guarantee Paracamp to relieve and cure you if used as directed. If it fails your druggist will refund your money. If your druggist don't handle Paracamp ask him to get for you. If he won't do this send direct to us. But don't take any substitute because there is nothing just as good. Paracamp is sold only in 25 cent, 50 cent, and \$1.00 bottles. The 50 cent size contains three bottles as much as the 25 cent size; the \$1.00 bottles eight times as much as the 25 cent size. The Paracamp Company Louisville, Ky., U. S. A.
