Well, the Penn Cave scribe is on board again and trying to write the news.

The St. Paul's Evangelical Sunday school festival that was held at Hoy's School was well attended Saturday last. Emanuel Eungard, the Gregg super-visor, has improved the roads across Nittany mountain.

The venerable Wm. H. Smith, who is in his 80th year, is seriously ill and little hopes of his recovery are entertained by his friends. He was a veteran in the civil war.

Pat McDonnell says the republicans of Centre county could have drawn a pair of winning cards at their convention by nominating Al Dale and the old soldier veteran John A. Daley for the legisla ture, but as they have played their game into the hands of the democrats our soldier boy Jonnie Noll and the true and tried J. Will Kepler, will have a walkover over the Featherweight and heavyweight.

John P. Brugger, the fellow that sells pickles, et cetra, for Heintz & Co., tried to get a couple of nice young ladies into trouble by reporting that they left home on Saturday after dinner, each with a little bucket ostensibly to gather wild strawberries, that they hid their buckets n a fence corner and went to see Uncle Tom's Cabin show, but fortunately the writer saw those same ladies return in the evening with their pails filled with the delicious berries and concluded that John had sent out a boomerang that would recoil on his own head.

The Uncle Tom's Cabin show that exhibited here on Saturday evening is spoken of in the highest terms of praise by all who were there. All agreed that Uncle Tom was fine, Eva and Topsy could not have been better, in fact all were good except perhaps Eliza, whose playing was a little crude. IT COSTS YOU NOTHING.

S. Krumrine Will Return Your Money it Mi-o-na Does Not Cure.

There are hundreds of people in Bellefonte who were not the least bit surprised when they read in the "Democrat" that S. Krumrine is selling Mi-o na on a guarantee to refund the money in case it did not cure. This marvelous dyspepsia remedy will cure the worst case of indigestion, headache, dizziness or the general played out condition that afflicts every one suffering, with stomach trouble.

Mi o na does not simply relieve; it cures, S. Krumrine can tell you of many well known people in this city whom this remedy has restored to health, often after they have tried many other methods of treatment with little or no benefit.

The best kind of advertising is the praise of a pleased customer. And there are hundreds in Beliefonte today praising Mi-o-na because it cured them. A few mouths ago they could eat nothing without wondering what the result would be. Since using Mi-o na they eat what they want and when they want with no fear of suffering.

This medicine is in the form of a small

tablet, very pleasant to take and costs only 50c a box. It is a pure medicine that speedily and permanently cures all forms of stomach trouble and is the only one that can be sold under a positive guarantee without any restriction, to reund the money if it does not cure.
