If you cannot hit the ball with the bat you may use a paddle not over eight inches wide. We will allow you to catch the ball in your hat or cap, as the case may be. We object to Walter Talheim as umpire. On our part we promise to play strictly according to the rules of the game. After we score 15 or 20 times we promise to play away so as to let you score a couple of times—don't want to skunk you 'donteherknow'. We will also permit you to use an air gun ball wrapped with three-ply woolen yarn so it will not hurt your hand. No swearing or profane language will be permitted at any time during the game or afternoon. Every player on both sides must be in a good humor. No one will be allowed to object to the umpire's decision. It must be law. No smoking of pipes or cigarettes during the game."
