Young Plants

Every farmer knows that some plants grow better than others. Soil may be the same and seed may seem the same but some plants are weak and others strong.

And that's the way with children. They are like young plants. Same food, same home, same care but some grow big and strong while others stay small and weak.

Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed.

Scott's Emulsion really feeds and gives the child growing strength.

Whatever the cause of weakness and failure to grow—Scott's Emulsion seems to find it and set the matter right.

If the food digests properly, impure blood cannot exist, if the blood is pure, there can be no catarrh. Since catarrh is the result of impure blood, and impure blood is the result of a poor digestion, it stands to reason that to effect a cure you must remove the cause.

"COME AND GET YOUR MONEY."

Liberal Way in Which S. Krumrine Sells Mi-o-na, Nature's Cure for Dyspepsia.

"If Mi-o-na fails to cure you of dyspepsia, come back to his store and get your money" is the broad and liberal way in which S. Krumrine is selling Mi-o-na, nature's cure for dyspepsia.

It is seldom indeed that any one avails themselves of this offer, proving conclusively the almost invariable good results that follow the use of this scientific treatment for stomach trouble.

A six box of Mi-o-na contains two weeks treatment and benefit will be seen from almost the first dose. The guarantee means that if Mi-o-na does not give complete satisfaction the full price will be refunded when the empty boxes are returned, and covers two boxes.

There is no other medicine that will compare with Mi-o-na for relieving stomach trouble. Pain and discomfort after eating, dizziness, specks before the eyes, gas and fermentation, in fact, all forms of indigestion are quickly relieved and permanently cured by Mi-o-na. It increases the vitality, soothes and heals any internal inflammation and gives tone and strength to the whole system.

Begin the use of Mi-o-na to-day and see how easily and quickly stomach trouble may be cured, if the right remedy is used.

Before you accept a favor it is well to look for the string.
