Food for thought doesn't satisfy an

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.

Send for free sample.

IS YOUR BACK ALLRIGHT?

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid.

The kidney's are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the im-purities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many dis-

eases are prevented.

Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance.

For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumrine's Drug store. If you are not benefitted you get your money back by asking for it.
