IS YOUR BACK ALLRIGHT? If It Isn't the Chances Are That Your Kidneys Are Calling For Aid. The kidney's are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented. Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are signs of kidney trouble. These pills are sold and guaranteed at Krumrine's Drug store. If you are not benefited you get your money back by asking for it.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for Constipation. Krumrine's Instantaneous Headache Powders will relieve the most obstinate cases of nervous and sick headache. 10 cents.

Most of our sportsmen are getting ready for the first day's hunting which comes on the 15th of October. Quite an interesting game of ball was played here on the diamond Saturday, between a team from Ireland and our own team; the score being 17-25 in favor of Nittany. Quite a number of our young people attended a box social which was held at Snyderdowntown on Saturday night. A little daughter has arrived at the home of B. F. Guiser. Last week one evening some one broke into H. W. Winkleman's cellar while Roy had gone to the store; when Roy returned and heard the noise he gave the alarm, but the party had got out and skipped before the crowd came with guns and clubs, or it would have been warm for him. Long, wife and son Jessie, of Huntingdon, are visiting Wm. Garbrick and family. Uruph Krape, of Salona, visited at C. E. Emert's over Sunday. Pine Creek will lose one of its best neighbors. On Friday who came to have a chat with the scribe and his lady, was E. F. David Korman is a regular visitor at Coburn Saturday evenings; what his business is no one knows, but they still may guess. Glad to hear the good news. The Coburn scribe is building a boat and will be ready for sail on the 8th of November; that will be a doleful day for the people at Coburn; the Georgetown scribe says his place can never be filled; the band will play the old tune, "I am on my way to Canada that cold and dreary land". The Highvalely scribe pays for his fun, he don't depend on the editor to find him the boodle and stumps.

8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh. She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished. Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion. We will send you a little free. SCOTT & BOWNE, CHEMISTS, 409 Pearl Street, New York. 50c. and \$1.00; all druggists. from his long illness. Glad to hear the good news.
