GATHERED OVER THE COUNTY.

L. Peters, of Phillipsburg, who has been in failing health for about 12 months, started Tuesday morning for Philadelphia, where she has gone to undergo medical treatment. -Rev. Elliott will deliver an illustrated lecture in the Sprucetown church, near Potters Mills, on Saturday evening that should draw a large audience. He is highly recommended and is worth hearing. -A few days ago Frank Wian had a narrow escape. While baling hay for Frank Lee near Nigh bank, he dropped into the baler, and made his escape just in the nick of time to prevent one of his legs being torn off. -The wheat fields in our county look somewhat backward but not discouraging as yet. Want of rain has had its effect in retarding the growth, but all is there, and would come up to a full crop, future weather favoring. -Pumpkins are a large crop and not dwarfs in size. This may mean that the delicious pumpkin pie may be much in evidence. Everybody relishes a good pumpkin pie. Who can show up the largest pumpkin? bring 'em on. -Prof. Stover, a noted elocutionist and impersonator, will give an entertainment in the Boal Hall, Boalsburg, on Friday evening, Oct. 21st. Admission 10 and 20 cts. with 25cts for reserved seats. Entertainment to begin at 7:30 o'clock. -There will be Communion Services held in the different churches of the Boalsburg date (Reformed) on the following dates: Houserville, Oct. 23rd; Boalsburg, Oct. 30th. Preparatory services on Sunday afternoon, except at Houserville where it will be in the evening. -On some orchards in this county pretty nearly all the apples were shaken down by the storm over a week ago. The apple crop was large but the wind-falls leaves comparatively few to pick for marketing. -Ricker Brothers, dairymen, in the east end of Nittany Valley, brought from Buffalo a car load of 37 head of fine grade Aberdeen Angus cattle. Most of this lot are young heifers, the first of the breed that was ever brought to that valley. They are a nice bunch and will be sold to the farmers for stock cattle. -On account of the absence of the pastor there will be no preaching at Madisonburg and St. Paul's next Sunday. Revival services will begin at the Yearick church on Thursday evening, Oct. 27, and will be protracted. Neighboring pastors are expected to assist the pastor. Everybody is invited. There will be preaching at Madisonburg on Sunday forenoon, Oct. 29. -Rev. Potts, a former pastor at Centre Hall, was injured by falling from an apple tree recently at Petersburg, Pa. He fell from a ladder striking the ground on his back and was rendered unconscious for three hours. There seems to be scarcely any external injury and it is believed that Rev. Potts had a slight paralytic stroke and his helplessness while in that state caused the fall. -Thaddeus Robison, who was a resident of Phillipsburg, was killed by the passenger train at Grampian. He had just gotten off the train and was starting across the railroad track to the town when he slipped and fell and was immediately caught by the wheels of the engine which severed one leg and mangled the other so badly that he died in twenty minutes after the accident. He begged for some one to shoot him to put him out of his misery. He is survived by his wife and several children. -Mrs. E. K. Noll, of Clearfield, on Monday went to Madisonburg with the corpse of her 5 months old infant son, whose body will be interred at the Madisonburg cemetery. Mrs. Noll although quite a young woman, has had a large share of trouble. Just about one year ago her husband was killed on a saw mill by being struck in the stomach by a flying board while at his work, and now this second bereavement seems to be too hard to bear. Her friends sympathize with her in her two-fold affliction. -It is reported that Attorney C. B. His resignation was caused by failing health. -"A party and an electioneering judge is the greatest curse that ever fell upon a free people. A few doses of Mi-o-na will strengthen the nerves of the stomach so that the appetite will return and you will be started on the right road to health. Ninety-three per cent of chronic diseases begin with dyspepsia. Cure the dyspeptic troubles, regulate the digestion and avoid the fate of chronic invalidism.
