An English Author Wrote:

"No shade, no shine, no fruit, no flowers, no leaves,—November!" Many Americans would add no freedom from catarrh, which is so aggravated during this month that it becomes constantly troublesome. There is abundant proof that catarrh is a constitutional disease. It is related to scrofula and consumption, being one of the wasting diseases. Hood's Sarsaparilla has shown that what is capable of eradicating scrofula, completely cures catarrh, and taken in time prevents consumption. We cannot see how any sufferer can put off taking this medicine, in view of the widely published record of its radical and permanent cures. It is undoubtedly America's Greatest Medicine for America's Greatest Disease—Catarrh.

Mr. and Mrs. John Liggitt, who have been spending a few days with Mr. Liggitt's uncle, John Liggitt, of Beech Creek, returned to their home at Kansas City, Kan.

Among the killed is Mrs. D. Bright Miller, of Lewisburg, Pa. Her husband is a well known attorney and president of one of the Lewisburg banks.

MRS. CARLTON'S STORY.

Maine Women's Thrilling Experience Duplicated in Bellefonte.

There are scores of families in Bellefonte and near by towns who will read with interest the wonderful experience of Mrs. A. L. Carlton, one of the best known women in Rockland, Me. Her statements are confirmed by the physicians who treated her and by C. H. Pendleton, the druggist who sold her Mi-o-na, nature's cure for dyspepsia.

Mrs. Carlton says: "I suffered with stomach trouble for eight years, growing worse all the time. Three of the best doctors in Maine diagnosed my case as cancer of the stomach and declared I could not live two months. Utterly discouraged with their treatment, I began using Mi-o-na and commenced to gain at once. At this time, I was reduced to almost skin and bones, as I had lost nearly 100 pounds during my sickness, but when I began to take Mi-o-na, my flesh was built up and I gained 22 1/2 lbs. the first month. When I discharged my physicians, I was suffering great pain and distress, and vomiting from two to six times a day, but after the first weeks use of Mi-o-na, the pain ceased and the vomiting stopped entirely. I have taken only six packages of these wonderful tablets, but my health is about restored and I firmly believe that Mi-o-na saved my life."

Christ Shope at this writing is poorly, receiving treatment from Dr. P. S. Fisher, of Zion. The following children were summoned to his side recently: Mrs. Coxy and son, of Altoona; Mrs. Richard Hall and son, of Johnstown; Mrs. Wm. H. IS YOUR BACK ALLRIGHT?

If It Isn't the Chances Are That Your Kidneys Are Calling For Aid.

The kidneys are the most important of all the organs; they have more work to perform than any other, hence the necessity of heeding the first symptoms of their derangement. They filter or strain the blood, thus removing the impurities and poisons from this vital fluid. By keeping these greatest of Blood Purifying organs in good health, many diseases are prevented.

Pains in the back and loins are evidence that the kidneys are affected, and they in return will affect the Nerves, causing nervousness, sleeplessness, restlessness, irritability, etc. Infrequent or too frequent urination excessive, painful or scanty urinary passage are all conclusive proof that the kidneys need assistance.

For any of these troubles Krines Kidney Pills are a positive cure and for them to fail to do what they were designed to do would be like reversing the law of cause and effect. These pills are sold and guaranteed at Krumrine's Drug store. If you are not benefited you get your money back by asking for it.

UNIONVILLE.

An the next day it will snow.

The republican Love feast held in the Grange Hall, on Saturday evening was quite a success so far as numbers is concerned. The hall being filled to overflowing with men, women, children, republicans and democrats. The meeting was called to order by district chairman, B. P. Shipley. On motion of some one Riley Pratt Esq., was elected chairman, who, upon taking his seat made a very neat and appropriate address. The Hon. A. O. Furr made the first and principal speech of the evening. He spoke at considerable length touching on all the topics of the times, laying considerable stress on farming. We'll bet a large Bullick Pippin apple that he doesn't know how many ears of corn to plant in a hill. The next speaker was Clement Dale who came to the front with a big broad smile illuminating his face which reminded one of a young lady posing for her photograph. Clem entertained the audience happily for 15 or 20 minutes and closed by reciting "The boy stood on the burning deck." The next speaker was Grant Hoover who arose in all his dignity and started out with:

"You'd scarce expect one of my age to speak in public on the stage." But before he had gone very far the audience began to evaporate and the leaders thought it was time to adjourn—and they did. A great many people from the township brought their children in to hear the bands play, but the band did not materialize. Their parade was a dandy, yum, yum.

ROLAND.

Mrs. Miles Dukeman gave a quilting party to most of her friends on Wednesday last week.

Consumption

Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.

Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request. Be sure that this picture is the form of a label on the wrapper of every bottle of Scott's Emulsion you buy. SCOTT & BOWNE, CHEMISTS, 409 Pearl St., N. Y. 50c. and \$1; all druggists.
