

Bellefonte and Vicinity

The Local Happenings in Short Paragraphs

Big horse sale at the Haag House stables on Saturday. Edward Fleming, of Altoona, spent Sunday with his parents in this place. The auditors annual statement for Centre county will not appear until the latter part of the month. Ross Bryan, of this place, departed Saturday to resume his duties as fireman on the Middle division at Altoona. Capt. Amos Mullen who was stricken with paralysis last week is improving and is able to move about the house. By observing the table of ballots in the contest for favorite school teachers, it will be found both interesting and animated. Mr. and Mrs. A. S. Garman, Mr. Cowdrick and his sister, Mrs. Calvert, left Monday for a visit with friends in New York. It looks as though party lines would be badly battered at the borough elections. Every candidate seems to have a little combine. Samuel Cooke, of Harrisburg, a veteran of the civil war, is visiting at the home of C. C. Shuey on High street. He is an uncle of Mrs. Shuey. A. J. Musser, of Clearfield, a native of near Pine Grove Mills gave our sanctum a call. He is doing a prosperous business in bituminous coal. Israel Kaufman, of Bishop street, has serious trouble with a sore finger which is likely to necessitate his going to Philadelphia to consult a medical expert. A. C. Longee, who disposed of his place of business in Howard; passed through town on Monday, being on his way to Williamsburg, Pa., where he will locate. Mrs. A. Wilson Norris, who has been visiting in Bellefonte for several weeks, left this afternoon for San Francisco, California, where she will remain the balance of the winter. The annual inspection of Co. B, N. G. P., of Bellefonte, will take place in the armory on Wednesday evening, February 8th at 8 o'clock. Of course the boys will make a good showing. Harry Barnes was brought home from Altoona where he has been employed for some time past, suffering with typhoid fever and was admitted to the Bellefonte hospital for treatment. Dr. J. Jones, veterinarian, will be found at the Palace Livery Stables, this place; will promptly answer all calls for his profession. He is skilled and experienced in handling all ills pertaining to horse flesh. Guy E. Swartz, for a number of years employed as a machinist with J. H. Lingie has secured a good job with the Westinghouse people at Pitcairn and will work in the shops where steam turbines are made. Mr. and Mrs. Swartz left on Saturday for that place. Last Thursday evening as the 4-44 passenger train on the Bald Eagle road was coming into Bellefonte it ran into an open switch at the round house which carried them back almost to the glass works site before the train was stopped. Fortunately the switch was clear and no injury was done. All persons who will have sale this spring should make out their list of articles at once and put it in the hands of the printer. As there are a large number of sales this season, it is impossible to handle the work in a satisfactory manner unless there is ample time. You always get a better job by placing your order early. The records in the Green and Dillen murder case were forwarded to Gov. Pennypacker on Wednesday, by Prothonotary Kimpert. The prize money for the recapture of the escaped prisoners remains unsettled. Testimony was taken in the matter last week and later it will be submitted to the court for a decision. A woman in a neighboring town bought a new fangled coffee pot from a peddler. In the evening she showed it to her husband, a hardware dealer, who told her she kept the same thing in his store for half the price she had paid. "Well," said she, "why don't you advertise?" "Nobody ever knows what you have on sale." Wm. Chambers, assistant postmaster, will move from the Brooks property on Linn street to the Wm. Bell house on Thomas street. Calvin Troup will move from the Bell property to one of W. T. Twitmire's houses on Water street. J. S. McCarger will move down Bishop street to the new Cole property. Wm. Hart will occupy part of the same house. The firm of Harper Bros., grocers, has discontinued business and Messrs. George Hazle and Curtis Wagner will succeed them, as inventory is now being made of the stock for that purpose. Harper Bros., succeeded Jared Harper their uncle about six years ago. Too liberal extension of credit was given which finally involved them and the business was voluntarily turned over to Jared Harper as a trustee to dispose of the stock, collect outstanding bills, and settle with all creditors. Liabilities are estimated at about \$12,000 with book accounts and stock of probably \$9000.

School Teachers Ballot will be found on the last page. Al Garman is one of the democratic nominees for council in Tyrone. Conductor Cook on the L. & T. road, who had been ill several weeks, is able to punch tickets again on his train. Chas McCoy, who recently had one of his eyes removed is rapidly recovering and able to be around though he is very weak. A. A. Pletcher, the Howard implement salesman, is able to be about again, recuperating from a severe attack of lumbago. Mrs. Benjamin Gentzel left on Saturday for Lewistown, where she will spend some time with her daughter, Mrs. Frank Cole. Subscriptions are being solicited for the Academy improvement fund. It deserves the support of our people. More will be said of this later. Mrs. Thomas Shaughnessy, Sr., who has been quite ill at her daughter's home in Tyrone, is recovering and will soon be able to return home. The condition of Hon. A. O. Furst, who is in the U. of Pa. hospital Philadelphia, recuperating from a severe operation, is reported as satisfactory. The Parish Priest is one of the best attractions that ever played in our opera house. They no doubt will be greeted with a crowded house upon their return. Rev. George Israel Brown, Dr. Geo. F. Harris and Joseph L. Montgomery were to Harrisburg to help elect a Bishop for the newly formed Harrisburg diocese of the Episcopal church. Wallace Bros. of Milesburg, are putting in the foundation for the new altar in St. John's Catholic church, a gift to the church from Miss Mary Brockerhoff and Dr. Joseph Brockerhoff. John McDonough, of Covington, Ky., who has been visiting friends in Bellefonte, left Monday afternoon for his home, accompanied by his mother, Mrs. McDonough who lived on Water street. W. H. Holt, of this place, brought a curiosity in the egg line to the Democrat office—being two half size eggs, in soft linked together—one seems without a yolk, but the other seems to have a "yaller." Sunday, February 5, Rev. W. B. Cox, pastor of the United Evangelical church, will preach a sermon to the Centre Lodge of I. O. O. F. of Bellefonte. They will go in a body to the church on Willowbank street. Wm. Doll, who runs the Bishop street bakery, will change his location by the 1st of April to the room in the Bush Arcade, formerly occupied as the Bellefonte postoffice. Years ago, when the old building stood on the same site, one of the rooms was occupied by a bakery. On account of the fine skating at Hecla Park the Central R. R. of Pa. will, commencing at once and until further notice, sell special excursion tickets from Bellefonte to Hecla Park and return for parties of 10 or more persons at rate of 25 cents for adults and 15 cents for children. A mortgage, probably one of the largest on record in our county, is being placed on the books this week. It is given by the Cambria Railway Company, to the Commonwealth Trust Company of Philadelphia for seven millions, and part of the railway is in Rush township. The Cambria Railway Company is the result of a merger of several small independent lines. The smallpox quarantine has been lifted in all parts of town, and the epidemic is stamped out of this community. Very few persons were alarmed over the few cases in our borough for the reason that strict quarantine regulations were rigidly enforced. People over the county dreaded coming to the town, while our people went about attending to business as though they never knew or heard of such a thing. A cook stove in the home of John Sharp, on East Bishop street, was completely wrecked on Sunday morning, by an explosion of the water tank. Mr. Sharp had built fire in the stove and was in the room when the explosion took place, but was not injured. The shock was so violent as to break the stove in small pieces, broke the windows in the room and generally damaged the interior. The connections leading to the stove were frozen and the heated water could not escape. Wednesday M. A. Causlin and Mrs. Maggie Hoozley were arrested at State College and put in the county jail last evening, and will have a hearing this morning before Justice Keichline. The woman's husband traced her here, in company with the man and will see that they are properly dealt with. They were in town about a month boarding at Philip Beeser's on Spring street, the man being a photographer solicited considerable work about the town. When put in jail Mrs. Hoozley lapsed into frequent fainting spells but the physician says she will be O. K. in the morning. They are from Forest county. It isn't only the swell girl who gets the mumps.

GATHERED OVER THE COUNTY.

A. J. Tate has purchased J. G. Heberling's undertaking outfit at Pine Grove Mills. Jacob Hicks, of Stormstown, sold his farm to David Behres for five thousand dollars. Dr. J. F. Alexander, of Centre Hall, has been ill the past week and has not improved much. Very successful revival services are now being held in Gray's church, near Stormstown, by Rev. E. I. Eslinger, of the M. E. church. Robt. Wells, of Zion, is canvassing our valley taking orders for the nursery house of Emmons & Co., Newark, N. J. It is a reliable firm. The annual banquet of the Pine Grove High school will be held in the I. O. O. F. hall on the evening of Feb. 10th, '05, when a good program will be carried out. Verna, the three year old daughter of Grant Kistling, of Snow Shoe, was badly burned one day last week, her clothes catching fire from the stove; there are hopes for her recovery. Dr. Bilger, the veterinarian, who was taken ill about two weeks ago, from a paralytic stroke, is still confined to his bed and improvement is very slow. The entire right side is afflicted. Samuel Wetzel, who has been down at Belington, W. Va., interested with his brother Harvey in the coal mining business, is back for an extended visit among friends throughout the county. A fire was narrowly averted at the home of Mrs. Roland Franz, at Tylersville. The children upset a lamp and a blaze was started, but Maggie Mechtley, who was present, threw a rug over the fire and extinguished it. Mr. and Mrs. Harrison Kline, of near Bellefonte announce the coming marriage of their daughter, Annie, to Clark J. Carson, to take place Wednesday evening, February 8th, at the bride's home about two miles and a half east of Bellefonte. P. E. Hicks, of Benore, met with quite a painful accident while testing his new gun. The barrel of this one is short, while the other one was long. Forgetting the difference between the two guns, he allowed his hand to come too near the muzzle and shot a hole through the forefinger. The machinery for the knitting mills at Millheim has arrived and is being rapidly put into place. Some of the knitting machines will be put into operation this week and the balance as soon as they can be properly placed. The plant will be under the control of local capital this time. On Thursday 18 white Wm. Breen was hauling ice off the dam near Wolf's Store, his horses became entangled in the lines and before Mr. Breen could get control of them they backed sled and all down over the ice into the stream, which was eight feet deep. It took quite a time and a good bit of engineering before the team could be taken out of the water. John A. Daley, the whole-souled farmer and representative citizen of Liberty township, favored our sanctum with a call. The next attraction at the opera house will be the "Parish Priest," on Monday, Feb. 13th, for the benefit of the Logan Fire Co. Waldron's big horse sale, at the Haag House stable, on Saturday, is sure to attract a large crowd. You will see an announcement of same on another page. Charles Dorworth, who has been ill with typhoid fever the past few weeks, at his home in Philadelphia, is able to be about and is sojourning at Atlantic City to recuperate. February and March are the public sale months—see the Democrat's large sale register, and you will find when and where they are, and where to go for good bargains and a royal free lunch. A four million dollar diamond was found in South Africa—the Boer country. What a dandy. If our patrons in arrears hurry up to get on the square and a bit in advance, we might be able to buy this "gem."

RECENT DEATHS.

HARRY A. DUGAN:—died Monday morning at the Altoona hospital, of typhoid pneumonia. Deceased was a son of Mr. and Mrs. W. A. Dugan, of Beech Creek, and was aged 24 years. He was a telegraph operator. DR. GEO. W. EBRITTE:—died January 14th, at his home near Gainesville, Missouri. His death was caused by paralysis of the heart, and his age was sixty-four years. Dr. Ebritte was a former resident of Spring Mills. MRS. ANNA JACK CHRISTIAN:—died at Eureka Spring, N. Y., Thursday morning last week. She was the widow of the late Thomas R. Reynolds. She had been ailing for some time but her death was rather unexpected. She was born at Boalsburg, Centre county and was the daughter of George and Mary Thompson Jack. The funeral took place Monday. Interment at Lewistown. GEORGE G. SCHOTZER:—of Grazierville, died on Saturday morning while waiting near his home for a trolley car in which to go to Tyrone. The deceased was a native of Germany and came to this country in 1860. He was 73 years old. For many years after his arrival in this country he was employed as a hostler in the family of Rev. Robert Hamill, D. D., at Oak Hall. JOHN D. LUCAS:—died at Altoona on 25, from old age. Deceased was born November 17, 1821 in Boggs township, Centre county, and went to Altoona after the war in 1865, where he had lived ever since. He was a member of the 148 Reg. He was employed in the wheel foundry of the Pennsylvania railroad company and was retired five years ago, when the pension law first went into effect. Deceased is survived by two sisters—Mrs. Levan Taylor and Miss Rachel C. Lucas, both of Centre county. DAVID NEESE:—died on Monday evening Jan. 23rd, after a lingering illness of several years, at the age of 76 years, 9 months and 25 days. Deceased was a life-long member of the Evangelical church, and a christian man, a model for any one. He spent most of his life in Penn Twp., and was by occupation a farmer, held prominent township offices and was upright in all his dealings. He was a kind and indulgent father and ever ready to do his fellowmen a kind act. He is survived by a wife, two brothers Emanuel and Jacob of Gregg township, three sisters and the following children: Mrs. Washington Thorp, of Buena Vista, Va.; James, of Bellefonte; Ella, Minnie and Mrs. Percival Thorp, of Penn Twp. Funeral on Friday at the Heckman church, by Rev. Wm. Bierly.

A MATTER OF HEALTH ROYAL BAKING POWDER Absolutely Pure HAS NO SUBSTITUTE We Escaped. The snowstorm of Wednesday last week was not as terrific in Centre county as in other parts of the state, where the snow fell to depths of 10 to 22 inches, blocking the railroads by great drifts and causing misery in many respects. We had a depth of 4 to 5 inches of snow here and no serious drifts in the country districts. The thermometer registered 1 below zero in Bellefonte, and some parts of the county reported as low as 10 degrees below. Other parts of the state reported as much as 10 to 20 degrees below zero. Deafness Cannot Be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. WEST BRUSH VALLEY. Quite a number of our people of this community were attending protracted meeting in Madisonburg last week. Benjamin Lambert was seen in Madisonburg on Saturday eve. Mr. Lambert was almost a stranger to the burg and the people were glad to see him so jolly. D. C. Duck made a flying trip to Pennsylvania. The saw mill in Greens Gap is running in full blast. Mrs. James Duck is housed up with pneumonia. George Zitler was in this community, recently. The sawmill in Pleasant valley is running in full blast. B. F. Grenoble, wife and son Charley, Scott Rachau and two children, and Miss Minnie Grenoble, paid a visit to Lock Haven over Sunday. The scribe was looking all through the C. D. to see the Central and Brushvalley scribes but failed to see them. I think they are spending to much time with their lady friends, and that is the reason they forget to write. B. F. Grenoble, Bruce Houtz, Dall Dack and Thomas Taylor are working on the saw mill for Sidney Douty. FILEMORE. FILMORE, No. 2. Those on the sick list are: Mrs. Maggie Garman, H. T. Norris, Paul Resides and Jennie Tressler. C. C. Huey and family spent Sunday John Rocky's, Sr. John Garner bought a fine horse in Bellefonte last week. Tom Tressler is the happiest man around; it is a girl.

WINTER EATING RUINS STOMACH

"Now is the Time You Need Mi-o-na," Says S. Krumrine. Think for a moment of the extra strain you put upon the stomach in the Winter. The hearty food, the late suppers, and the lack of exercise and out door life all weaken and strain the stomach, laying the foundation for poor health and suffering. Chronic stomach troubles, nervous irritability, and serious bowel and kidney diseases have often dated from a week of extra "good living." Nearly everyone is bothered with more or less headaches and backaches, furred tongue, poor appetite, dry, hacking cough, heartburn, spots before the eyes, dizziness or vertigo, sleeplessness, lack of energy, loss of flesh or a general weak, tired feeling. Now is the time when Mi-o-na is needed to repair the ravages and wastes the hearty eating of Winter has caused in the stomach and digestive system. This is the only known agent that strengthens the stomach and digestive organs, so they can and will readily digest whatever food is eaten. A Mi-o-na tablet taken before each meal will remove all irritation, inflammation and congestion in the digestive organs, and so strengthen them that they will extract from the food all that goes to make good rich blood, firm muscle, and a sound, healthy body. This remarkable remedy costs but 50 cents, and if its use does not restore your full vigor, vitality, and health, S. Krumrine one of the best known druggists in this section will refund your money. Unbounded faith like this deserves your confidence.

THE POPULAR EYE SPECIALIST, BROCKERHOFF HOUSE ALL DAY UNTIL 6 P. M. Wednesday, Feb. 8
